

Endo Begins Shipment of Authorized Generic Version of Carafate® (sucralfate) Oral Suspension in the United States

January 27, 2020

DUBLIN, Jan. 27, 2020 /PRNewswire/ -- Endo International plc (NASDAQ: ENDP) today announced that one of its operating companies, Par Pharmaceutical (Par), has begun shipping an authorized generic version of Allergan's Carafate® (sucralfate) oral suspension 1gm/10 mL.

"Par is proud to partner with Allergan to bring the authorized generic of Carafate® to patients," said Domenic Ciarico, Executive Vice President & Chief Commercial Officer, Sterile & Generics at Endo. "We are pleased to add this product to our portfolio and continue Par's tradition of being a reliable, quality supplier."

According to IQVIA™ data, U.S market annual sales for the 12 months ended November 30, 2019, for sucralfate oral suspension was estimated to be approximately \$285 million.

Carafate® is a registered trademark of Aptalis Pharma Canada ULC, an affiliate of Allergan, Inc.

Forward Looking Statements

This press release may contain certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and Canadian securities legislation, including the statements by Mr. Ciarico and other statements regarding product quality, availability and affordability. Statements including words such as "believes," "expects," "anticipates," "intends," "estimates," "plan," "will," "may," "look forward," "intend," "guidance," "future" or similar expressions are forward-looking statements. Because these statements reflect Endo's current views, expectations and beliefs concerning future events, they involve risks and uncertainties. Although Endo believes that these forward-looking statements and information are based upon reasonable assumptions and expectations, readers should not place undue reliance on them, or any other forward-looking statements or information in this news release. Investors should note that many factors, as more fully described in the documents filed by Endo with the Securities and Exchange Commission and with securities regulators in Canada on the System for Electronic Document Analysis and Retrieval, including under the caption "Risk Factors" in Endo's Form 10-K, Form 10-Q and Form 8-K filings, and as otherwise enumerated herein or therein, could affect Endo's future results and could cause Endo's actual results to differ materially from those expressed in forward-looking statements contained in this communication. The forward-looking statements in this press release are qualified by these risk factors. Endo assumes no obligation to publicly update any forward-looking statements, whether as a result of new information, future developments or otherwise, except as may be required under applicable securities laws.
