

Endo International plc Commences Refinancing of its Existing Term Loan

March 4, 2021

DUBLIN, March 4, 2021 /CNW/ -- Endo International plc (NASDAQ: ENDP) ("Endo") today announced that it has commenced a refinancing of its existing \$3.3 billion senior secured term loan due 2024 with the net proceeds of a new senior secured term loan and other debt issuances. The new term loan will have the same guarantees and collateral as Endo's existing credit agreement. The proposed transactions, if completed, are not expected to increase Endo's total indebtedness but would extend Endo's debt maturity profile and provide Endo with greater financial flexibility.

The proposed transactions are subject to market and other conditions and are anticipated to close in the first quarter of 2021. However, there can be no assurance that the transactions will be consummated on the terms described herein or at all.
