Item 3. Source and Amount of Funds or Other Consideration.

The information set forth in or incorporated by reference in Items 4, 5 and 6 of this Schedule 13D is incorporated by reference in its entirety into this Item 3.

On September 25, 2015, pursuant to the Agreement and Plan of Merger (the "Merger Agreement"), dated as of May 18, 2015, by and among the Issuer, Par Pharmaceutical Holdings, Inc. (renamed Par Pharmaceutical Companies, Inc.) ("Par"), Endo Health Solutions Inc., Endo Limited (renamed Endo Designated Activity Company), Banyuls Limited (renamed Hawk Acquisition Ireland Limited), Hawk Acquisition ULC ("Merger Sub") and Shareholder Representative Services LLC, solely in its capacity as the Stakeholder Representative (as defined in the Merger Agreement), Merger Sub merged with and into Par, with Par continuing as the surviving entity and as an indirect wholly owned subsidiary of the Issuer (the "Merger").

Upon consummation of the Merger, the Issuer indirectly acquired all of the outstanding shares of Par for aggregate consideration consisting of \$6.5 billion in cash (subject to adjustment) and 18,069,899 Ordinary Shares, as further described in the Merger Agreement. Therefore, pursuant to the Merger Agreement, the TPG Funds received, as merger consideration, approximately \$3.88 billion in cash and the 17,182,136 Ordinary Shares reported herein in exchange for the 776,071,428 shares of common stock of Par they held prior to the Merger.

References to and the description of the Merger Agreement set forth above are not intended to be complete and are qualified in their entirety by reference to the full text of the Merger Agreement, which is filed as an exhibit hereto and is incorporated by reference herein.

Item 4. Purpose of Transaction.

The information set forth in Items 3, 5 and 6 of this Schedule 13D is incorporated by reference in its entirety into this Item 4.

Shareholders Agreement

In connection with the Merger, on May 18, 2015, the TPG Funds entered into a shareholders agreement (the "Shareholders Agreement") with the Issuer. The Shareholders Agreement provides that the TPG Funds are subject to certain standstill restrictions preventing them, subject to certain exceptions, from acquiring additional Ordinary Shares or taking other specified actions with respect to the Issuer unless consented to by the Issuer's board of directors (the "Standstill"). The Standstill terminates on the one-year anniversary of the date on which the TPG Funds collectively hold less than 2% of the then-outstanding Ordinary Shares (the "Standstill Period"). The Shareholders Agreement also provides that during the Standstill Period the TPG Funds shall cause all Ordinary Shares that they own to be present, in person or by proxy, at any meeting of the Issuer's shareholders and shall vote all such Ordinary Shares in accordance with the recommendation of the Issuer's board of directors with respect to any business or proposal on which the Issuer's shareholders are entitled to vote. In the event the Issuer's board of directors resolves to engage in a formal process to sell the Issuer or any of its subsidiaries or any of their material assets, the Shareholders Agreement provides that the TPG Funds may request that the Issuer's Chief Executive

Officer grant a waiver of the Standstill to allow the TPG Funds to participate in the sale process, subject to certain exceptions. In addition, the Shareholders Agreement contains certain restrictions on transfers during the Standstill Period.

Registration Rights Agreement

In connection with the Merger, on May 18, 2015, the TPG Funds entered into a registration rights agreement (the “Registration Rights Agreement”) with the Issuer. Pursuant to the Registration Rights Agreement, the Issuer agreed to file a shelf registration statement covering the Ordinary Shares that the TPG Funds received in the Merger. In addition, the TPG Funds may make up to four requests that the Issuer register or conduct an underwritten offering with respect to the Ordinary Shares held by the TPG Funds, subject to certain conditions. The TPG Funds also may request that the Issuer include their Ordinary Shares in certain future registration statements or offerings of Ordinary Shares by the Issuer. The TPG Funds’ rights under the Registration Rights Agreement, as amended by the Amendment Agreement described below, terminate upon the later of the time at which the TPG Funds no longer own at least 2% of the then-outstanding Ordinary Shares of the Issuer and the time at which the Ordinary Shares cease to be registrable, as set forth in the Registration Rights Agreement, as amended.

Amendment Agreement

On May 3, 2016, Todd Sisitsky, a TPG Principal, was appointed to serve as a member of the Issuer’s board of directors, effective May 5, 2016. In connection with Mr. Sisitsky’s appointment, on May 5, 2016, the TPG Funds and the Issuer entered into an amendment agreement (the “Amendment Agreement”) modifying the terms of the Shareholders Agreement and the Registration Rights Agreement.

Pursuant to the Amendment Agreement, the Issuer agreed to except from the Standstill market purchases of Ordinary Shares by the TPG Funds or their affiliates from time to time prior to December 31, 2016 for consideration of no more than \$250 million in the aggregate and involving a number of Ordinary Shares, which, in the aggregate, when taken together with the other Ordinary Shares previously owned by the TPG Funds, comprise less than 10% of the then-outstanding Ordinary Shares.

The Amendment Agreement also provides that in no event shall any action taken by Mr. Sisitsky, in his capacity as a director of the Issuer, to the extent consistent with the performance of his duties as a member of the Issuer’s board of directors, constitute a breach of the Shareholders Agreement.

Other than as described above, none of the Reporting Persons nor, to the best knowledge of each of the Reporting Persons, without independent verification, any of the persons listed in Schedules I or II hereto, currently has any plans or proposals that relate to, or would result in, any of the matters listed in Items 4(a)–(j) of Schedule 13D. The Reporting Persons intend to review from time to time their investment in the Issuer and the Issuer’s business affairs, financial position, performance and other investment considerations. Based upon such review, as well as general economic, market and industry conditions and prospects and the Reporting Persons’ liquidity requirements and investment considerations, the Reporting Persons may consider those courses of action as permitted by the Standstill. Subject to the approval requirements and terms of the Standstill, these actions may include the direct or indirect acquisition of additional Ordinary Shares, economic interests in Ordinary Shares or associated rights or securities exercisable for or convertible into Ordinary Shares, the disposition of some or all of its Ordinary Shares, recommendations and positions on the operations, business, management, board of directors, management, dividend policy or capital structure of the Issuer, extraordinary corporate transactions such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; selling or transferring a material amount of assets of the Issuer or any of its subsidiaries; changing the Issuer’s Memorandum and Articles of Association or instruments corresponding thereto or taking other actions which may impede the acquisition of control of the Issuer by any person; causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; and taking any action similar to any of those enumerated above.

References to and descriptions of the Shareholders Agreement, the Registration Rights Agreement and the Amendment Agreement set forth above are not intended to be complete and are qualified, respectively, in their entirety by reference to the full text of the Shareholders Agreement, Registration Rights Agreement and the Amendment Agreement, which are filed as exhibits hereto and are incorporated by reference herein.

Pursuant to Rule 13d-3 under the Act, the Reporting Persons may be deemed to beneficially own 17,182,136 Ordinary Shares, which constitutes approximately 7.7% of the outstanding Ordinary Shares.

(c) Except as set forth in this Item 5, none of the Reporting Persons nor, to the best knowledge of the Reporting Persons, without independent verification, any person named in Item 2 hereof, has effected any transaction in Ordinary Shares during the past 60 days.
