Item 1.01. Entry into a Material Definitive Agreement.

Indenture

Endo Limited, Endo Finance LLC and Endo Finco Inc. (collectively the “Issuers”), wholly owned subsidiaries of Endo International plc (the “Company”), entered into an indenture, dated as of January 27, 2015 (the “Indenture”), among the Issuers, the guarantors named therein and Wells Fargo Bank, National Association, as trustee, governing the terms of the Issuers’ \$1,200,000,000 aggregate principal amount of 6.00% Senior Notes due 2025 (the “Notes”). The Notes were issued on January 27, 2015.

The Notes were issued in a private offering exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), to qualified institutional buyers in accordance with Rule 144A and to persons outside of the United States pursuant to Regulation S under the Securities Act. The Notes are senior unsecured obligations of the Issuers and are guaranteed on a senior unsecured basis by certain of Endo Limited’s subsidiaries (collectively, the “Guarantors”). The Notes and the related guarantees have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

The Notes bear interest at a rate of 6.000% per year, accruing from January 27, 2015. Interest on the Notes is payable semiannually in arrears on February 1 and August 1 of each year, beginning on August 1, 2015. The Notes will mature on February 1, 2025, subject to earlier repurchase or redemption in accordance with the terms of the Indenture.

The Issuers may redeem some or all of the Notes at any time prior to February 1, 2020 at a price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest, if any, to, but not including, the redemption date and a make-whole premium set forth in the Indenture. On or after February 1, 2020, the Issuers may redeem some or all of the Notes at any time at redemption prices set forth in the Indenture, plus accrued and unpaid interest, if any, to, but not including, the redemption date. In addition, at any time prior to February 1, 2018, the Issuers may redeem up to 35% of the aggregate principal amount of the Notes at a specified redemption price set forth in the Indenture plus accrued and unpaid interest, if any, to, but not including, the redemption date, with the net cash proceeds of certain equity offerings. If Endo Limited experiences certain change of control events, the Issuers must offer to repurchase the Notes at 101% of their principal amount, plus accrued and unpaid interest, if any, to, but not including, the repurchase date.

The Indenture contains covenants that, among other things, restrict Endo Limited’s ability and the ability of certain of its subsidiaries to incur certain additional indebtedness and issue preferred stock; make certain dividends, distributions, investments and other restricted payments; sell certain assets; agree to payment restrictions on Endo Limited’s subsidiaries; create certain liens; enter into transactions with affiliates; designate subsidiaries as unrestricted subsidiaries; and consolidate, merge or sell substantially all of Endo Limited’s assets. These covenants are subject to a number of important exceptions and qualifications, including the fall away or revision of certain of these covenants upon the Notes receiving investment grade credit ratings.

The Company intends to use the net proceeds of the Notes offering, together with cash on hand, to (i) finance its acquisition of Auxilium Pharmaceuticals, Inc. (“Auxilium”) pursuant to a merger (the “Merger”) of Avalon Merger Sub Inc., an indirect subsidiary of the Company, with and into Auxilium, (ii) refinance certain indebtedness of Auxilium and (iii) pay related transaction fees and expenses. In the event that the Merger is not consummated on or prior to July 8, 2015 or the Company determines to abandon or terminate the Merger at any time prior thereto, the Issuers will be required to redeem the notes at a special mandatory redemption price equal to 100% of the issue price of the Notes, plus accrued and unpaid interest, if any, to, but not including, the special redemption date.

The foregoing summary of the Indenture and the Notes does not purport to be complete and is qualified in its entirety by reference to the complete terms of the Indenture and the Notes, copies of which are filed with this Current Report on Form 8-K as Exhibits 10.1 and 10.2 and are incorporated herein by reference.

Registration Rights

In connection with the issuance of the Notes, the Issuers and the Guarantors entered into a registration rights agreement, dated as of January 27, 2015 (the “Registration Rights Agreement”). Under the Registration Rights Agreement, the Issuers and the Guarantors will be required to use their commercially reasonable efforts to (i) file with the Securities and Exchange Commission (the “SEC”) by March 31, 2016 an exchange offer registration statement pursuant to which they will offer, in exchange for the Notes, new notes having terms substantially identical in all material respects to those of the Notes (except the new notes will not contain terms with respect to transfer restrictions) (the “A/B Exchange Offer”), (ii) complete the A/B Exchange Offer by July 1, 2016 or, under specified circumstances, (iii) file a shelf registration statement with the SEC covering resales of the Notes. The Issuers may be required to pay additional interest if they fail to comply with the registration and exchange requirements set forth in the Registration Rights Agreement.

The foregoing summary of the Registration Rights Agreement is qualified in its entirety by reference to the full text of the Registration Rights Agreement, a copy of which is filed with this Current Report on Form 8-K as Exhibit 10.3 and is incorporated herein by reference.

In addition, the Issuers may issue, from time to time in accordance with the provisions of this Indenture, Additional Notes and Exchange Notes. The Notes and the Trustee's certificate of authentication will be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note will be dated the date of its authentication. The Notes shall be in minimum denominations of \$200,000 and integral multiples of \$1,000 in excess of \$200,000.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Issuers, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes.* Notes issued in global form will be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among any participants of the Depository or beneficial owners of interests in any Global Notes) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depository.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Issuers and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuers will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. Upon written request for replacement of a Note by a Holder, the Trustee and the Issuers shall receive an indemnity bond sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers may charge the Holder for its expenses in replacing a Note, with any expense of the Trustee to be reimbursed in accordance with the terms of this Indenture.

Every replacement Note is an additional obligation of the Issuers and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those paid under this Indenture, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; however, Notes held by the Company or a Subsidiary of the Company shall not be deemed to be outstanding for purposes of Section 3.07(a) hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuers or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuers or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in conclusively relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuers considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuers will prepare and the Trustee will, upon receipt of an Authentication Order, authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of such canceled Notes (subject to the record retention requirement of the Exchange Act) and in accordance with the Trustee's customary procedures. Upon written request and at the expense of the Issuers, certification of the cancellation of such Notes will be delivered to the Issuers. The Issuers may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Issuers default in a payment of interest on the Notes, they will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 10 days before the special record date, the Issuers will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *CUSIP or ISIN Numbers*

The Issuers in issuing the Notes may use “CUSIP” or “ISIN” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” or “ISIN” numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers will promptly notify the Trustee in writing of any change in the “CUSIP” or “ISIN” numbers.

ARTICLE 3 REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, at least 45 days prior to a redemption date (unless shorter notice shall be agreed to in writing by the Trustee) but not more than 60 days before the redemption date, the Issuers shall notify the Trustee in writing of the redemption date, the principal amount of Notes to be redeemed, the clause of this Indenture pursuant to which the redemption shall occur and the redemption price (identifying the Notes by CUSIP or ISIN, as applicable). Notice given to the Trustee pursuant to this Section 3.01 may, at the Issuers’ discretion, state that any such redemption may be subject to the satisfaction of one or more conditions precedent.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption or purchase on a *pro rata* basis (or, in the case of Notes issued in global form pursuant to Article 2 hereof, based on a method that most nearly approximates a *pro rata* selection as the Trustee deems fair and appropriate) unless otherwise required by law or applicable stock exchange or depository requirements.

Upon selection, the Trustee will promptly notify the Issuers in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of \$200,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Sections 3.09 and 3.10 hereof, at least 30 days but not more than 60 days before a redemption date, the Issuers will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 11 hereof. Any notice may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent.

The notice will identify the Notes (by CUSIP or ISIN, if applicable) to be redeemed and will state:

(a) the redemption date;

(b) the redemption price;

(c) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued in the name of the Holder of Notes upon cancellation of the original Note;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(g) if such notice is conditioned upon the occurrence of one or more conditions precedent, the nature of such conditions precedent;

(h) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(i) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuers' written request, the Trustee will give the notice of redemption in the Issuers' name and at their expense; *provided, however*, that the Issuers have delivered to the Trustee, at least 45 days prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price, subject to the satisfaction of any conditions precedent contained in such notice of redemption.

Section 3.05 *Deposit of Redemption or Purchase Price.*

If the Issuers elect to redeem Notes in accordance with Section 3.07 hereof, one Business Day prior to the anticipated redemption or purchase date, the Issuers will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of accrued interest and Additional Interest, if any, on all Notes to be redeemed or purchased on that date. Upon payment of any amount in connection with redemption, the Trustee or the Paying Agent will promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption or purchase price of accrued interest and Additional Interest, if any, on all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Issuers will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

(a) At any time prior to February 1, 2018, the Issuers may on any one or more occasions redeem up to 35% of the aggregate principal amount of the Notes issued under this Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 106.000% of the principal amount of the Notes redeemed, plus accrued and unpaid interest to, but not including, the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date if the Notes have not been redeemed prior to such date), with the net cash proceeds of an Equity Offering; *provided* that:

- (1) at least 65% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and
- (2) the redemption occurs within 120 days of the date of the closing of such Equity Offering.

(b) At any time prior to February 1, 2020, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, but not including, the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(c) Except pursuant to the preceding paragraphs and Section 3.10 of this Indenture, the Notes will not be redeemable at the Issuers' option prior to February 1, 2020.

(d) On or after February 1, 2020, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Interest, if any, on the Notes redeemed, to, but not including, the applicable date of redemption, if redeemed during the twelve-month period beginning on February 1 of the years indicated below (subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date if the Notes have not been redeemed prior to such date):

<u>Year</u>	<u>Percentage</u>
2020	103.000%
2021	102.000%
2022	101.000%
2023 and thereafter	100.000%

Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Mandatory Redemption.*

(a) Except as set forth in Section 3.08(b), the Issuers are not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(b) In the event that the Merger is not consummated on or prior to July 8, 2015 or the Parent determines to abandon or terminate the Merger at any time prior thereto (a "*Merger Termination Event*"), the Issuers shall redeem the Notes at a special mandatory redemption price equal to 100% of the issue price of the Notes, plus accrued and unpaid interest on the principal amount of the Notes to, but not including, the special redemption date. The "special redemption date" means the date specified by the Issuers in the notice to Holders described below that is between the tenth business day and the twentieth business day following the occurrence of a Merger Termination Event.

The Issuers shall cause the notice of special mandatory redemption to be mailed or electronically delivered according to the procedures of DTC, with a copy to the Trustee, within five business days after a Merger Termination Event to each holder of record of the Notes. If funds sufficient to pay the special mandatory redemption price of the Notes to be redeemed on the special redemption date, plus accrued and unpaid interest on the principal amount of the Notes to, but not including, the special redemption date, are deposited with the Trustee on or before such special redemption date, the Notes will cease to bear interest and all rights under the Notes will terminate on and after the special redemption date.

The provisions in this Section 3.08(b) relative to the Issuers' obligation to make a special mandatory redemption may be waived or modified with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding.

"Merger" means the acquisition by the Company of Auxilium Pharmaceuticals, Inc. contemplated by the Amended and Restated Agreement and Plan of Merger, dated November 17, 2014, among Auxilium Pharmaceuticals, Inc., the Parent, Endo U.S. Inc. and Avalon Merger Sub Inc., as the same may be amended, modified or replaced, from time to time.

Section 3.09 Offer to Purchase by Application of Excess Proceeds.

In the event that, pursuant to Section 4.10 hereof, the Company is required to commence an Asset Sale Offer, it will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "Offer Period"). No later than three Business Days after the termination of the Offer Period (the "Purchase Date"), the Company will apply all Excess Proceeds (the "Offer Amount") to the purchase of Notes and such other *pari passu* Indebtedness (on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered, if applicable) or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest and Additional Interest, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no Additional Interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Company will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

(a) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;

(b) the Offer Amount, the purchase price and the Purchase Date;

(c) that any Note not tendered or accepted for payment will continue to accrete or accrue interest;

(d) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrete or accrue interest after the Purchase Date;

(e) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in denominations of \$200,000 or an integral multiple of \$1,000 in excess thereof;

(f) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, or transfer by book-entry transfer, to the Company, a Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(g) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(h) that, if the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Trustee, after consultation with the Company, will select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in denominations of \$200,000, or an integral multiple of \$1,000 in excess thereof, will be purchased); and

(i) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.09. The Company, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.10 *Redemption for Changes in Taxes*

The Issuers may redeem the Notes, in whole but not in part, at their discretion at any time upon giving not less than 30 nor more than 60 days’ notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest and Additional Interest, if any, to, but not including, the date of redemption (a “*Tax Redemption Date*”) (subject to the right of holders of the Notes on the relevant record date to receive interest and Additional Interest, if any, due on the relevant interest payment date if the Notes have not been redeemed prior to such date), if on the next date on which any amount would be payable in respect of the Notes, the Issuers are or would be required to pay Additional Amounts, and the Issuers cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, the appointment of a new Paying Agent), and the requirement arises as a result of:

(a) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction affecting taxation which change or amendment has not been publicly announced as formally proposed before and becomes effective on or after the Issue Date (or if the relevant Tax Jurisdiction has changed since the Issue Date, on or after the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under the Indenture); or

(b) any change in, or amendment to, the existing official published position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change or amendment has not been publicly announced as formally proposed before and becomes effective on or after the Issue Date (or if the relevant Tax Jurisdiction has changed since the Issue Date, on or after the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under the Indenture).

The Issuers will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuers would be obligated to make such payment or withholding if a payment in respect of the Notes were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuers will deliver to the trustee an opinion of independent tax counsel (which counsel shall be reasonably acceptable to the trustee) to the effect that there has been such change or amendment which would entitle the Issuers to redeem the Notes hereunder. In addition, before the Issuers mail notice of redemption of the Notes as described herein, they will deliver to the trustee an Officers' Certificate to the effect that they cannot avoid their obligation to pay Additional Amounts by the Issuers taking reasonable measures available to them.

The Trustee will accept and shall be entitled to conclusively rely on such Officers' Certificate and Opinion of Counsel as sufficient evidence of the existence and satisfaction of the conditions as described above, in which event it will be conclusive and binding on all of the Holders.

For the avoidance of doubt, the implementation of European Council Directive 2003/48/EC on any other directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings income or any law implementing or complying with or introduced in order to conform to, such directive will not be a change or amendment for such purposes.

ARTICLE 4 COVENANTS

Section 4.01 *Payment of Notes.*

The Issuers will pay or cause to be paid the principal of, premium on, if any, and interest and Additional Interest, if any, on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest and Additional Interest, if any, will be considered paid on the date due if the Paying Agent, if other than the Issuers or a Subsidiary thereof, holds as of 10:00 a.m. (New York City Time) on the due date money deposited by the Issuers in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due. The Issuers will pay all Additional Interest, if any, in the same manner on the dates and in the amounts set forth in the Registration Rights Agreement.

The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; they will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

In the event that the Issuers are required to pay Additional Interest to Holders pursuant to the Registration Rights Agreement, the Issuers will provide written notice (“*Additional Interest Notice*”) to the Trustee of their obligation to pay Additional Interest no later than fifteen (15) days prior to the proposed payment date for the Additional Interest, and the Additional Interest Notice shall set forth the amount of Additional Interest to be paid by the Issuers on such payment date. The Trustee shall not at any time be under any duty or responsibility to any Holder to determine the Additional Interest, or with respect to the nature, extent, or calculation of the amount of Additional Interest owed, or with respect to the method employed in such calculation of the Additional Interest.

Section 4.02 *Maintenance of Office or Agency.*

The Issuers will maintain in each Place of Payment for Notes an office or agency where Notes may be presented or surrendered for payment, where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuers in respect of the Notes and this Indenture may be served. The Issuers will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuers fail to maintain any such required office or agency or fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuers hereby appoint the Trustee as their agent to receive all such presentations, surrenders, notices and demands.

The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Issuers of their obligation to maintain an office or agency in each Place of Payment for Notes for such purposes. The Issuers will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuers hereby designate the Corporate Trust Office of the Trustee as one such office or agency of the Issuers in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company will provide the Trustee with such annual and quarterly reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such information, documents and reports to be so provided at the times specified for the filing of such information, documents and reports under such Sections. The Company shall be permitted to satisfy its obligations in this Section 4.03 by furnishing annual and quarterly reports prepared by the Parent, so long as, to the extent there are in the Company’s reasonable judgment material differences between the information relating to the Parent, on the one hand, and the information relating to the Company and the Restricted Subsidiaries, on the other hand, such differences and financial discrepancies are reasonably detailed in such report. The Company will not be required to provide the Trustee with any such information, documents or reports that are filed with the SEC and the Trustee shall have no responsibility whatsoever to determine if such information, documents or reports have been filed with the SEC.

(b) Notwithstanding anything herein to the contrary, in the event that the Company fails to comply with its obligation to file or provide such information, documents and reports as required hereunder, the Company will be deemed to have cured such Default for purposes of Section 6.01(4) hereof upon the provision of all such information, documents and reports required hereunder prior to the expiration of 60 days after written notice to the Company of such failure from the Trustee or the Holders of at least 25% of the principal amount of the Notes.

(c) For so long as any Restricted Notes are outstanding the Company agrees that, in order to render such Restricted Notes eligible for resale pursuant to Rule 144A under the Securities Act, it will make available, upon request, to any Holder of Restricted Notes or prospective purchasers of Restricted Notes the information specified in Rule 144A(d)(4), unless the Company furnishes such information to the SEC pursuant to Section 13 or 15(d) of the Exchange Act.

(d) Delivery of such reports, information and documents under this Section 4.03, as well as any such reports, information and documents pursuant to this Indenture, to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Trustee shall have no responsibility or liability for the filing, timeliness or content of any report required under this Section 4.03 or any other reports, information and documents required under this Indenture (aside from any report that is expressly the responsibility of the Trustee subject to the terms hereof).

Section 4.04 *Compliance Certificate.*

(a) The Company and each Guarantor (to the extent such Guarantor is so required under the TIA) shall deliver to the Trustee, within 120 days after the end of each fiscal year ending after the Issue Date, an Officers' Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto.

(b) So long as any of the Notes are outstanding, the Company will deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

Section 4.05 *Taxes*.

The Company will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06 *Stay, Extension and Usury Laws*.

(3) the Company will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Section 4.09; and

(4) with respect to Indebtedness permitted under Section 4.09(b)(4) in respect of Sale Leaseback Transactions that are not Capital Lease Obligations on the Issue Date, any reclassification of such Sale Leaseback Transactions as Capital Lease Obligations shall not be deemed an Incurrence of Indebtedness for purposes of this covenant.

(d) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided*, that, if such Indebtedness is incurred to Refinance other Indebtedness denominated in a foreign currency, and such Refinancing would cause the applicable U.S. dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such Refinancing, such U.S. dollar denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Permitted Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being Refinanced.

(e) The principal amount of any Indebtedness incurred to Refinance other Indebtedness, if incurred in a different currency from the Indebtedness being Refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such Refinancing.

(f) The Company will not, and will not permit any Guarantor to, directly or indirectly incur any Indebtedness (including Permitted Debt) that is subordinated or junior in right of payment to any Indebtedness of the Company or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or the applicable Note Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Company or such Guarantor, as the case may be; *provided* that (i) unsecured Indebtedness shall not be treated as subordinated or junior to any other Indebtedness merely because it is unsecured and (ii) Indebtedness shall not be treated as subordinated or junior in right of payment to other Indebtedness merely because such Indebtedness has a junior priority with respect to any collateral.

Section 4.10 Asset Sales.

(a) The Company will not, and will not permit any of the Restricted Subsidiaries to, consummate an Asset Sale unless:

(1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (measured as of the date of the definitive agreement with respect to such Asset Sale) of the assets or shares of Capital Stock of a Restricted Subsidiary issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities, as shown on the Company's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto, of the Company or any Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Notes or any Note Guarantee) (i) that are assumed by the transferee of any such assets and for which the Company or such Restricted Subsidiary, as the case may be, have been released or indemnified against further liability or (ii) in respect of which neither the Company nor any Restricted Subsidiary following such Asset Sale has any obligation;

(B) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary within 365 days into cash, to the extent of the cash received in that conversion;

(C) any Designated Noncash Consideration having an aggregate Fair Market Value that, when taken together with all other Designated Noncash Consideration previously received and then outstanding, does not exceed at the time of the receipt of such Designated Noncash Consideration (with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value) the greater of \$200.0 million or 2.0% of Total Assets; and

(D) any Investment, stock, asset, property or capital expenditure of the kind referred to in Section 4.10(b)(3).

(b) Within one year from the later of the date of an Asset Sale or the receipt of any Net Proceeds from an Asset Sale, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

(1) to prepay, repay, redeem or purchase (i) Indebtedness and other Obligations that are secured by a Lien or (ii) Indebtedness (other than any Disqualified Capital Stock) and other Obligations of a Non-Guarantor Subsidiary, and, in each case, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;

(2) to prepay, repay, redeem or purchase Senior Indebtedness of the Company or any Guarantor; *provided*, that, the Company shall (y) apply a pro rata portion (determined and as modified based on the provisions set forth below) of such Net Proceeds to redeem or repurchase the Notes (i) as described in Section 3.07 or (ii) through open market purchases at a purchase price not less than 100% of the principal amount thereof, plus accrued but unpaid interest thereon, or (z) make an offer (in accordance with the procedures set forth below) to all holders to purchase their Notes at a purchase price not less than 100% of the principal amount thereof, plus accrued but unpaid interest thereon (in each case other than Indebtedness or other Obligations owed to the Company or an Affiliate of the Company); or

(3) to make an Investment in any one or more businesses (provided that if such Investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary), to acquire assets or property or to make capital expenditures, in each case (i) used or useful in a Permitted Business or (ii) that replace the properties and assets that are the subject of such Asset Sale;

provided that, in the case of Section 4.10(b)(3), entering into and not abandoning or rejecting a binding commitment to make an investment to satisfy Section 4.10(b)(3) above shall be treated as a permitted application of Net Proceeds from the date of such commitment; *provided* that (x) such investment is consummated within 545 days after the later of the receipt of such Net Proceeds or the date of such Asset Sale and (y) if such investment is not consummated within the period set forth in subclause (x), or otherwise applied as set forth in Section 4.10(b) (1) or (2), the Net Proceeds not so applied will be deemed to constitute Excess Proceeds under Section 4.10(d).

(c) Pending the final application of any Net Proceeds, the Company (or the applicable Restricted Subsidiary) may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(d) Any Net Proceeds from Asset Sales that are not applied or invested as provided in Section 4.10(b) will constitute “*Excess Proceeds*.” When the aggregate amount of Excess Proceeds exceeds the greater of \$150.0 million or 1.5% of Total Assets, within 30 days thereof, the Company will make an offer (an “*Asset Sale Offer*”) to all Holders of Notes and all holders of other Senior Indebtedness containing provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets to purchase, prepay or redeem the maximum principal amount of Notes and such other Senior Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount (or accreted value, if less, or such lesser amount as may be provided by the terms of such other Senior Indebtedness), plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase, prepayment or redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date if the Notes have not been redeemed or repurchased prior to such date), and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other Senior Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other Senior Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in denominations of \$200,000, or an integral multiple of \$1,000 in excess thereof, will be purchased). Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. The Company may satisfy the foregoing obligations with respect to any Net Proceeds prior to the expiration of the relevant one year period or with respect to Excess Proceeds of \$150.0 million or less.

(e) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with Section 3.09 or this Section 4.10, the Company shall comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.09 or this Section 4.10 by virtue of such compliance.

(f) The provisions under this Indenture relative to the Company’s obligation to make an Asset Sale Offer may be waived or modified with the consent of the Holders of a majority in principal amount of the then outstanding Notes.

Section 4.11 *Transactions with Affiliates.*

(a) The Company will not, and will not permit any of the Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, or advance with or guarantee for the benefit of, any Affiliate of the Company (each, an “*Affiliate Transaction*”) involving aggregate payments or consideration in excess of \$10.0 million, unless:

(1) the Affiliate Transaction is on terms that are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and

(2) the Company delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$50.0 million, a resolution adopted by the majority of the Board of Directors of the Company approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction has been approved by a majority of the Board of Directors of the Company and complies with Section 4.11(a)(1).

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to Section 4.11(a):

(1) any employment or consulting agreement, incentive agreement, employee benefit plan, severance agreement, officer or director indemnification agreement or any similar arrangement entered into by the Company or any of the Restricted Subsidiaries in the ordinary course of business or approved by the Board of Directors of the Company and payments pursuant thereto;

(2) transactions between or among the Company and/or the Restricted Subsidiaries;

(3) transactions with any Person that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person; *provided* that any Person that is jointly controlled by the Company and the Parent or its officers, directors or employees shall for purposes of this clause (3) be deemed to be "solely controlled" by the Company;

(4) payment of reasonable fees or other reasonable compensation to, provision of customary benefits or indemnification agreements to, and the reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of, officers, directors, employees or consultants of the Company, any of the Restricted Subsidiaries or any of the Company's direct or indirect parent companies;

(5) any issuance of Equity Interests (other than Disqualified Stock) of the Company;

(6) Restricted Payments (or transfers or issuances that would constitute Restricted Payments but for the exclusions from the definition thereof) that do not violate Section 4.07 hereof and Permitted Investments;

(7) loans or advances to employees of the Company, any of its Subsidiaries or any of the Company's direct or indirect parent companies in the ordinary course of business of the Company or the Restricted Subsidiaries not to exceed \$50.0 million in the aggregate at any one time outstanding;

(8) any agreement as in effect on the Issue Date and described in the Offering Memorandum (or described in a document incorporated by reference in the Offering Memorandum as of the Issue Date) or any renewals or extensions of any such agreement (so long as such renewals or extensions are not less favorable in any material respect to the Company or the Restricted Subsidiaries) and the transactions evidenced thereby;

(9) transactions in which the Company or any Restricted Subsidiary, as the case may be, delivers to the trustee a letter from an accounting, appraisal or investment banking firm of national standing stating that such transaction meets the requirements of Section 4.11(a)(1);

(10) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms hereof which are fair to the Company and the Restricted Subsidiaries, in the reasonable determination of the Board of Directors of the Company or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party (as determined by the Board of Directors of the Company or the senior management thereof in good faith);

(11) transactions in the ordinary course with (i) Unrestricted Subsidiaries or (ii) joint ventures in which the Company or a Subsidiary of the Company holds or acquires an ownership interest (whether by way of Capital Stock or otherwise) so long as the terms of any such transactions are no less favorable to the Company or any Subsidiary participating in such joint ventures than they are to other joint venture partners;

(12) the existence of, or the performance by the Company or any of the Restricted Subsidiaries of its obligations under the terms of, any limited liability company agreement, limited partnership or other organizational documents or stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; *provided, however*, that the existence of, or the performance by the Company or any Restricted Subsidiary of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (12) to the extent that the terms of any such amendment or new agreement, taken as a whole, is no less favorable to the Company and the Restricted Subsidiaries than the agreement in effect on the Issue Date (as determined by the Board of Directors of the Company or the senior management thereof in good faith);

(13) the provision of services to directors or officers of the Company, any of the Restricted Subsidiaries or any of the Company's direct or indirect parent companies of the nature provided by the Company or any of the Restricted Subsidiaries to customers in the ordinary course of business;

(14) transactions undertaken in good faith for the purpose of improving the consolidated tax efficiency of the Company, its Subsidiaries or the Company's direct or indirect parent companies;

(15) any Incurrence of Indebtedness permitted by Section 4.09; and

(16) transactions contemplated by the Paladin Merger and the Paladin Acquisition.

Section 4.12 *Liens*.

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, Incur or permit to exist any Lien (the "*Initial Lien*") of any nature whatsoever on any of its properties (including Capital Stock of a Restricted Subsidiary), whether owned at the Issue Date or thereafter acquired, securing any Indebtedness, other than Permitted Liens, without effectively providing that the Notes shall be secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured.

Any Lien created for the benefit of the Holders of the Notes pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

Section 4.13 *Corporate Existence.*

Subject to Article 5 hereof, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a corporation.

Section 4.14 *Offer to Repurchase Upon Change of Control.*

(a) If a Change of Control Repurchase Event occurs, each Holder of Notes will have the right to require the Issuers to repurchase all or any part (equal to \$200,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes pursuant to a Change of Control offer (a "*Change of Control Offer*") on the terms set forth herein. In the Change of Control Offer, the Issuers will offer a Change of Control payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest and Additional Interest, if any, on the Notes repurchased to, but not including, the date of purchase (subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date if the Notes have not been redeemed or repurchased prior to such date) (the "*Change of Control Payment*").

(b) Within 30 days following any Change of Control Repurchase Event, the Issuers will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control Repurchase Event and stating:

- (1) that the Change of Control Offer is being made pursuant to this Section 4.14 and that all Notes tendered will be accepted for payment;
- (2) the purchase price and the purchase date, which shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the "*Change of Control Payment Date*");
- (3) that any Note not tendered will continue to accrue interest;
- (4) that, unless the Issuers default in the payment of the Change of Control Payment, any Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;
- (5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and

(7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$200,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

(c) The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.14, the Company shall comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.14 by virtue of such compliance.

(d) On the Change of Control Payment Date, the Issuers will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuers.

The Paying Agent will promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Issuers will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(e) Notwithstanding anything to the contrary in this Section 4.14, the Issuers will not be required to make a Change of Control Offer upon a Change of Control Repurchase Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.14 and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price.

Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control Repurchase Event, conditioned upon the consummation of such Change of Control Repurchase Event, if a definitive agreement is in place for the Change of Control Repurchase Event at the time the Change of Control Offer is made.

(f) The provisions under this Indenture relative to the Issuers' obligation to make a Change of Control Offer may be waived or modified with the consent of the Holders of at least a majority in principal amount of the then outstanding Notes.

Section 4.15 *[Intentionally Left Blank]*.

Section 4.16 *Limitation on Sale Leaseback Transactions.*

The Company will not, and will not permit any of the Restricted Subsidiaries to, enter into any Sale Leaseback Transaction with respect to any asset; *provided* that the Company or any Restricted Subsidiary may enter into a Sale Leaseback Transaction if:

(a) the Company or that Restricted Subsidiary would be entitled to (i) Incur Indebtedness in an amount equal to the Attributable Debt relating to such Sale Leaseback Transaction under Section 4.09 and (ii) create a Lien on such property securing such Attributable Debt without equally and ratably securing the Notes pursuant to Section 4.12;

(b) the gross cash proceeds received by the Company or any Restricted Subsidiary in connection with such Sale Leaseback Transaction are at least equal to the Fair Market Value of such property; and

(c) the Company applies the proceeds of such transaction in compliance with Section 4.10 hereof.

Section 4.17 *Payments for Consent.*

The Company will not, and will not permit any of the Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is paid to all Holders of the Notes that so consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.18 *Additional Note Guarantees.*

If any direct or indirect Subsidiary of the Company that is not a Guarantor becomes a guarantor or obligor in respect of any Triggering Indebtedness, within 10 business days of such event the Company will cause such Subsidiary to enter into a supplemental indenture pursuant to which such Subsidiary shall agree to Guarantee the Issuers' Obligations under the Notes, fully and unconditionally and on a senior basis. The form of such supplemental indenture is attached as Exhibit E hereto.

The Company also may, at any time, cause a Subsidiary to become a Guarantor by executing and delivering a supplemental indenture providing for the Guarantee of payment of the Notes by such Subsidiary on the basis provided above.

Section 4.19 *Designation of Restricted and Unrestricted Subsidiaries.*

The Company may designate after the Issue Date any Subsidiary (other than the Subsidiary Issuers) (including any newly acquired or newly formed Subsidiary) as an "Unrestricted Subsidiary" under this Indenture (a "*Designation*") only if:

(a) no Default or Event of Default has occurred and is continuing after giving effect to such Designation;

(b) the Subsidiary to be so designated and its Subsidiaries do not at the time of Designation own any Capital Stock or Indebtedness of, or own or hold any Lien on any Property of, the Company or any other Subsidiary of the Company that is not a Subsidiary of the Subsidiary so designated;

(c) the Subsidiary to be so designated and its Subsidiaries do not at the time of Designation have and do not thereafter Incur any Indebtedness pursuant to which the lender has recourse to any of the assets of the Company or any of the Restricted Subsidiaries; and

(d) either (x) the Subsidiary to be so designated has total consolidated assets of \$1,000 or less or (y) if such Subsidiary has consolidated assets greater than \$1,000, then such Designation would be permitted under Section 4.07.

The Company may revoke any Designation of a Subsidiary as an Unrestricted Subsidiary (a “*Revocation*”) only if, immediately after giving effect such Revocation:

(e) (x) the Company could Incur at least \$1.00 of additional Indebtedness under Section 4.09(a) or (y) the Fixed Charge Coverage Ratio would be greater than immediately prior to such Revocation, in each case on a *pro forma* basis taking into account such Revocation;

(f) all Liens of such Unrestricted Subsidiary outstanding immediately following such Revocation would, if Incurred at such time, have been permitted to be Incurred for all purposes of this Indenture; and

(g) no Default or Event of Default has occurred and is continuing after giving effect to such Revocation.

Each Designation and Revocation must be evidenced by promptly delivering to the Trustee a board resolution of the Board of Directors of the Company giving effect to such Designation or Revocation, as the case may be, and an Officers’ Certificate certifying compliance with the preceding provisions. A Revocation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary.

Section 4.20 *Fall Away Event*

In the event of the occurrence of a Fall Away Event (and notwithstanding the failure of the Company subsequently to maintain an Investment Grade Rating):

(a) Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.16(a)(i), 4.16(c), 4.19 and 5.01(A)(d) shall each no longer be in effect for the remaining term of the applicable Notes; and

(b) Section 4.12 hereof shall be replaced in its entirety with the following covenant:

“(a) The Company will not, and will not permit any Material Subsidiary to, directly or indirectly, Incur or permit to exist any Lien (the “Initial Lien”) of any nature whatsoever on any Restricted Property securing any Indebtedness, other than Permitted Liens, without effectively providing that the Notes shall be secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured. Any Lien created for the benefit of the Holders of the Notes pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

(b) Notwithstanding the restrictions described above, the Company and the Material Subsidiaries may, directly or indirectly, Incur or permit to exist any Lien that would otherwise be subject to the restrictions set forth in the immediately preceding paragraph without effectively providing that the Notes shall be secured equally and ratably with (or prior to) the obligations so secured if, at the time of such Incurrence or permission, after giving effect thereto and to the retirement of any Secured Indebtedness which is concurrently being retired, the aggregate principal amount of outstanding Secured Indebtedness which would otherwise be subject to such restrictions (not including Permitted Liens) plus all Attributable Debt of the Company and the Material Subsidiaries in respect of Sale Leaseback Transactions with respect to any Restricted Property, does not exceed 15% of Total Assets.”

(c) the following definition shall be added to Section 1.01 in alphabetical order:

“*Restricted Property*” means (a) any manufacturing facility (or portion thereof) owned or leased by the Company or any Material Subsidiary that, in the good faith opinion of the Company’s Board of Directors, is of material importance to the Company’s business taken as a whole, but no such manufacturing facility (or portion thereof) shall be deemed of material importance if its gross book value of property, plant and equipment (before deducting accumulated depreciation) is less than 2% of the Company’s Total Assets measured as of the end of the most recent quarter for which financial statements are available; or (b) any Capital Stock of any Material Subsidiary of the Company owning a manufacturing facility (or a portion thereof) covered by clause (a). As used in this definition, “*manufacturing facility*” means property, plant and equipment used for actual manufacturing and for activities directly related to manufacturing such as quality assurance, engineering, maintenance, staging areas for work in process administration, employees, eating and comfort facilities and manufacturing administration, and it excludes sales offices, research facilities and facilities used only for warehousing, distribution or general administration and “*Material Subsidiary*” means any Subsidiary of the Company that constitutes more than 5% of the Company’s Total Assets”; and

(d) the definition of “Permitted Liens” shall be replaced in its entirety with the following definition:

“*Permitted Liens*” means:

- (1) Liens existing on the Fall Away Date;
- (2) Liens in favor of the Company or a Subsidiary;
- (3) Liens on any property existing at the time of the acquisition thereof;
- (4) Liens on any property of a Person or its subsidiaries existing at the time such Person is consolidated with or merged into the Company or a Subsidiary, or Liens on any property of a Person existing at the time such Person becomes a Material Subsidiary;
- (5) Liens to secure all or part of the cost of acquisition (including Liens created as a result of an acquisition by way of Capital Lease Obligation), construction, development or improvement of the underlying property, or to secure Indebtedness incurred to provide funds for any such purposes, *provided*, that the commitment of the creditor to extend the credit secured by any such Lien shall have been obtained not later than 18 months after the later of (A) the completion of the acquisition, construction, development or improvement of such property and (B) the placing in operation of such property or of such property as so constructed, developed or improved;

(6) Liens securing industrial revenue, pollution control or similar bonds; and

(7) any extension, renewal or replacement (including successive extensions, renewals and replacements), in whole or in part, of any Lien referred to in any of clauses (1), (3), (4) or (5) that would not otherwise be permitted pursuant to any of clauses (1) through (6), to the extent that (A) the principal amount of Indebtedness secured thereby and not otherwise permitted to be secured pursuant to any of clauses (1) through (6) does not exceed the principal amount of Indebtedness, plus any premium or fee payable in connection with any such extension, renewal or replacement, so secured at the time of any such extension, renewal or replacement and (B) the property that is subject to the Lien serving as an extension, renewal or replacement is limited to some or all of the property that was subject to the Lien so extended, renewed or replaced.

Section 4.21 *Additional Amounts*

All payments made by or on behalf of the Issuers or any of the Guarantors under or with respect to the Notes or any Note Guarantee will be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction in which the Issuers or any Guarantor (including any successor entity), is then incorporated, engaged in business, organized or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which payment is made by or on behalf of the Issuers or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision thereof or therein (each of (1) and (2), a “*Tax Jurisdiction*”), will at any time be required to be made from any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest, premium or Additional Interest, if any, the Issuers or the relevant Guarantor, as applicable, will pay such additional amounts (the “*Additional Amounts*”) as may be necessary in order that the net amounts received and retained in respect of such payments by each holder or beneficial owner of Notes after such withholding, deduction or imposition will equal the respective amounts of cash that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts will be payable with respect to:

(a) any Taxes, to the extent such Taxes would not have been imposed but for the Holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant holder, if the relevant holder is an estate, trust, nominee, partnership, limited liability company or corporation) being a citizen or resident or national of, incorporated in the relevant Tax Jurisdiction in which such Taxes are imposed or having any other present or former connection with the relevant Tax Jurisdiction other than the acquisition or holding of such Notes, the exercise or enforcement of rights under such Note or the Indenture or under a Note Guarantee of a Guarantor or the receipt of payments in respect of such Note or a Note Guarantee of a Guarantor;

(b) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(c) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes;

(d) any Taxes withheld, deducted or imposed on a payment to an individual and that are required to be made pursuant to European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council meeting of November 26 and 27, 2000 on the taxation of savings income, or any law implementing or complying with or introduced in order to conform to, such directive;

(e) any Note presented for payment (where presentation is required) by or on behalf of a Holder of Notes who would have been able to avoid such withholding or deduction by presenting the relevant Note to another Paying Agent in a member state of the European Union;

(f) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or with respect to any Note Guarantee of a Guarantor;

(g) any Taxes to the extent such Taxes are imposed or withheld by reason of the failure of the Holder or beneficial owner of Notes, following the Issuers' reasonable written request addressed to the Holder or beneficial owner at least 60 days before any such withholding or deduction would be payable to the holder or beneficial owner, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the Holder or beneficial owner is legally entitled to provide such certification or documentation;

(h) any Taxes imposed or withheld by reason of the failure of the holder or beneficial owner of the Notes to comply with the requirements of Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), as of the Issue Date (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), the U.S. Treasury Regulations issued thereunder or any official interpretation thereof or any agreement entered into pursuant to Section 1471(b) of the Code;

(i) any withholding Tax imposed by the United States or a political subdivision thereof; or

(j) any combination of clauses (a) through (i) above.

In addition to the foregoing, the Issuers and any Guarantors will also pay and indemnify the holder for any present or future stamp, issue, registration, value added, transfer, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and any other liabilities related thereto) which are levied by any jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, the indenture, any Note Guarantee of a Guarantor or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee of a Guarantor.

If the Issuers or any Guarantor, as the case may be, becomes aware that it or they will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee of a Guarantor, the Issuers or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuers or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officers' Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officers' Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to holders on the relevant payment date. The Issuers or the relevant Guarantor

will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officers' Certificate as conclusive proof that such payments are necessary, and may conclusively presume that no payments are necessary unless and until it receives any such Officers' Certificate.

The Issuers or the relevant Guarantor will make all withholdings and deductions (within the time period and in the minimum amount) required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuers or the relevant Guarantor will use their reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuers or the relevant Guarantor will furnish to the Trustee (or to a holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuers or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity.

Whenever in the Indenture or the Notes there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or Additional Interest, if any, or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee of a Guarantor, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

The above obligations will survive any termination, defeasance or discharge of the Indenture, any transfer by a holder or beneficial owner of its Notes, and will apply, mutatis mutandis, to any jurisdiction in which any successor Person to the Issuers or any Guarantor is incorporated, engaged in business for tax purposes or resident for tax purposes or any jurisdiction from or through which such Person makes any payment on the Notes (or any Note Guarantee of a Guarantor) and any department or political subdivision thereof or therein.

Section 4.22 *Activities of the Co-Obligor*

The Co-Obligor will not hold any material assets, become liable for any material obligations, or engage in any business activities other than as necessary to (a) maintain its corporate existence and (b) perform its obligations under the Notes and this Indenture (including Incurring Indebtedness permitted by Section 4.09 and Liens permitted by Section 4.12).

ARTICLE 5 SUCCESSORS

Section 5.01 *Merger, Consolidation or Sale of Assets.*

(A) The Company shall not: (1) consolidate with or merge with or into another Person (whether or not the Company is the surviving Person); or (2) directly or indirectly, sell, assign, transfer, convey, lease or otherwise dispose of all or substantially all of the assets of the Company and the Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(a) either:

(1) the Company is the surviving Person; or

(2) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance, lease or other disposition has been made is an entity organized or existing under the laws of the United States, any state of the United States or the District of Columbia, Luxembourg, Ireland or Canada;

(b) the Person formed by or surviving any such consolidation or merger (if other than the Company) or the Person to which such sale, assignment, transfer, conveyance, lease or other disposition has been made assumes all the obligations of the Company under the Notes, this Indenture and the Registration Rights Agreement pursuant to agreements reasonably satisfactory to the Trustee;

(c) immediately after such transaction, no Default or Event of Default exists;

(d) the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company), or to which such sale, assignment, transfer, conveyance, lease or other disposition has been made would, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, (i) be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a); or (ii) have had a Fixed Charge Coverage Ratio greater than the actual Fixed Charge Coverage Ratio for such four-quarter period; and

(e) the Company shall have delivered to the trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

(B) Neither of the Subsidiary Issuers will consolidate or merge with or into another Person (whether or not such Subsidiary Issuer is the surviving Person) unless:

(a) either: (1) such Subsidiary Issuer is the surviving Person; or (2) the Person formed by or surviving any such consolidation or merger (if other than such Subsidiary Issuer) or to which such sale, assignment, transfer, conveyance, lease or other disposition has been made is an entity organized or existing under the laws of the United States, any state of the United States or the District of Columbia, Luxembourg, Ireland or Canada; and, if such entity is not a corporation, a co-obligor of the Notes is a corporation organized or existing under any such laws;

(b) the Person formed by or surviving any such consolidation or merger (if other than such Subsidiary Issuer) or the Person to which such sale, assignment, transfer, conveyance, lease or other disposition has been made assumes all the obligations of such Subsidiary Issuer under the Notes, this Indenture and the Registration Rights Agreement pursuant to agreements reasonably satisfactory to the Trustee; and

(c) immediately after such transaction, no Default or Event of Default exists.

Section 5.01(A) will not apply to any sale, assignment, transfer, conveyance, lease or other disposition of assets between or among the Issuers and the Restricted Subsidiaries. Sections 5.01(A)(c) and 5.01(A)(d) will not apply to any merger or consolidation of the Company (1) with or into one of the Restricted Subsidiaries for any purpose or (2) with or into an Affiliate solely for the purpose of reorganizing such Subsidiary Issuer in another jurisdiction. Section 5.01(B) will not apply to any merger or consolidation of any Subsidiary Issuer (1) with or into one of the Restricted Subsidiaries for any purpose so long as the surviving Person becomes a primary obligor of the Notes or (2) with or into an Affiliate solely for the purpose of reincorporating such Issuer in another jurisdiction so long as the surviving Person becomes a primary obligor of the Notes; provided that if such Person is not a corporation, a co-obligor of the Notes is a corporation organized or existing under the laws of the United States, any state of the United States or District of Columbia, Luxembourg, Canada or Ireland.

The Person formed by or surviving any such consolidation or merger (if other than the Company or such Subsidiary Issuer, as the case may be) or the Person to which such sale, assignment, transfer, conveyance, lease or other disposition has been made will be the successor to the Company or such Subsidiary Issuer, as the case may be, and shall succeed to, and be substituted for, and may exercise every right and power of, the Company or such Subsidiary Issuer, as the case may be, under this Indenture, and the Company or such Subsidiary Issuer, as the case may be, except in the case of a lease, shall be released from the obligation to pay the principal of and interest on the Notes.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the "Company" shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; *provided, however*, that the predecessor Company shall not be relieved from the obligation to pay the principal of, premium on, if any, and interest and Additional Interest, if any, on, the Notes except in the case of a sale of all of the Company's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

ARTICLE 6
DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an "Event of Default":

- (1) default for 30 days in the payment when due of interest and Additional Interest, if any, on the Notes;
- (2) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on the Notes;
- (3) failure by the Company or any of the Restricted Subsidiaries to comply with (i) Sections 4.14(d)(1) and 4.14(d)(2) and (ii) Article 5 and Section 10.04;
- (4) failure by the Company or any of the Restricted Subsidiaries to comply with any of the other agreements in this Indenture (other than a failure that is the subject of clause (1), (2) or (3)) for 60 days after receipt by the Issuers of written notice of such failure from the Trustee (or receipt by the Issuers and the Trustee of written notice of such failure from the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class);
- (5) one or more defaults shall have occurred under any of the agreements, indentures or instruments under which the Company or any Significant Subsidiary has outstanding Indebtedness in excess of \$100.0 million, individually or in the aggregate, and either (a) such default results from the failure to pay such Indebtedness at its stated final maturity and such default has not been cured or the Indebtedness repaid in full within 20 days of the default or

(b) such default or defaults have resulted in the acceleration of the maturity of such Indebtedness and such acceleration has not been rescinded or such Indebtedness repaid in full within 20 days of the acceleration;

(6) one or more judgments or orders that exceed \$100.0 million in the aggregate (net of amounts covered by insurance or bonded) for the payment of money have been entered by a court or courts of competent jurisdiction against the Company or any Significant Subsidiary and such judgment or judgments have not been satisfied, stayed, annulled or rescinded within 60 days after such judgment or judgments become final and nonappealable;

(7) the Company or any Significant Subsidiary:

(A) commences a voluntary insolvency proceeding,

(B) consents to the entry of an order for relief against it in an involuntary insolvency proceeding,

(C) consents to the appointment of a Bankruptcy Custodian of it or for all or substantially all of its property,

(D) makes a general assignment for the benefit of its creditors, or

(E) generally is not paying its debts as they become due;

provided, however, that the liquidation of any Restricted Subsidiary into another Restricted Subsidiary, other than as part of a credit reorganization, shall not constitute an Event of Default under this Section 6.01(7);

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any Significant Subsidiary in an involuntary insolvency proceeding;

(B) appoints a Bankruptcy Custodian of the Company or any Significant Subsidiary for all or substantially all of the property of the Company a Significant Subsidiary; or

(C) orders the liquidation of the Company or any Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days; and

(9) any Note Guarantee by a Significant Subsidiary shall for any reason cease to be, or shall for any reason be held in any judicial proceeding not to be, or asserted in writing by any such Guarantor or the Company not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by this Indenture and any such Note Guarantee, and any such Default continues for ten days.

Section 6.02 *Acceleration.*

If an Event of Default (other than an Event of Default specified in Section 6.01(7) and 6.01(8) hereof with respect to the Company) shall have occurred and be continuing, either the Trustee or the

Holders of at least 25% of the outstanding principal amount of the Notes may declare to be immediately due and payable the principal amount of all such Notes then outstanding, plus accrued but unpaid interest to the date of acceleration. Upon the effectiveness of such a declaration, such principal, premium, accrued and unpaid interest (including Additional Interest), and other monetary obligations shall be due and payable immediately. If an Event of Default specified in Sections 6.01(7) and 6.01(8) hereof with respect to the Company shall occur, such amounts with respect to all the Notes shall become automatically due and payable immediately without any further action or notice. After any such acceleration, but before a judgment or decree based on acceleration is obtained by the applicable person, the registered Holders of a majority in principal amount of the outstanding Notes may cancel such acceleration if (i) the rescission would not conflict with any judgment or decree and (ii) if all existing Events of Default have been cured or waived except nonpayment of principal, that has become due solely because of the acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

If an Event of Default occurs on or after February 1, 2020 by reason of any willful action (or inaction) taken (or not taken) by or on behalf of the Company with the intention of avoiding payment of the premium that the Issuers would have had to pay if the Issuers then had elected to redeem the Notes pursuant to Section 3.07 hereof, then, upon acceleration of the Notes, an equivalent premium shall also become and be immediately due and payable, to the extent permitted by law, anything in this Indenture or in the Notes to the contrary notwithstanding. If an Event of Default occurs prior to February 1, 2020 by reason of any willful action (or inaction) taken (or not taken) by or on behalf of the Company with the intention of avoiding the prohibition on redemption of the Notes prior to such date, then upon acceleration of the Notes, the Applicable Premium will also become and be immediately due and payable, to the extent permitted by law.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Subject to the duties of the Trustee to act with the required standard of care, if there is a continuing Event of Default, the Trustee need not exercise any of its rights or powers under this Indenture at the written request or direction of any of the Holders of Notes, unless such Holders have offered to the Trustee security or indemnity satisfactory to the Trustee. Subject to such provisions for security or indemnification of the Trustee and certain other conditions, the Holders of a majority in principal amount of the outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power the Trustee holds with respect to the Notes.

Section 6.04 *Waiver of Past Defaults*

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the

payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes; *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

No Holder of any Note will have any right to institute any proceeding with respect to this Indenture or for any remedy unless:

- (a) the Trustee has failed to institute such proceeding for 60 days after the Holder has previously given to the Trustee written notice of a continuing Event of Default with respect to the Notes;
- (b) the Holders of at least 25% in principal amount of the then outstanding Notes have made a written request to the trustee, and offered indemnity or security satisfactory to the Trustee, to institute such proceeding as trustee; and
- (c) the Trustee has not received from the Holders of a majority in principal amount of the outstanding Notes a direction inconsistent with such request.

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the Holder of any Note will have an absolute and unconditional right to receive payment of the principal of, and any premium on, if any, or interest or Additional Interest, if any, on such Note, on or after the date or dates they are to be paid as expressed in such Note and to institute suit for the enforcement of any such payment.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default in payment of principal, premium or interest specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company (or any other obligor on the Notes) for the whole amount of unpaid principal and accrued interest and Additional Interest remaining unpaid.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation (as agreed in writing by the Issuers and the Trustee), expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes), its creditors or its property and shall be

entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation (as agreed in writing by the Issuers and the Trustee), expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under this Indenture. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under this Indenture out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under this Indenture, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest and Additional Interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest and Additional Interest, if any, respectively; and

Third: to the Issuers or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers expressly vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith, by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it under this Indenture.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers will be sufficient if signed by an Officer of the Issuers.

(f) The Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request of any Holders of Notes unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any losses, liabilities or expenses.

(g) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(i) The Trustee may request that the Issuers deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(j) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. If the Trustee becomes a creditor of the Issuers or any Guarantor, this Indenture limits the right of the Trustee to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee (if this Indenture has been qualified under the TIA) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, acting in such capacity, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, any Note, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Reports by Trustee to Holders of the Notes.*

(a) Within 90 days after each April 15 beginning with April 15, 2015, and for so long as Notes remain outstanding, the Trustee will mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA §313(a) (but if no event described in TIA §313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA §313(b)(2). The Trustee will also transmit by mail all reports as required by TIA §313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes will be mailed by the Trustee to the Issuers and filed by the Trustee with the SEC and each stock exchange on which the Notes are listed in accordance with TIA §313(d). The Issuers will promptly notify the Trustee in writing when the Notes are listed on any stock exchange and of any delisting thereof.

Section 7.07 *Compensation and Indemnity.*

(a) The Issuers will pay to the Trustee from time to time compensation, as agreed in writing between the Issuers and the Trustee, for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuers will reimburse the Trustee promptly upon request for all reasonable disbursements, advances

and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the compensation, as agreed in writing by the Issuers and the Trustee, and reasonable disbursements and expenses of the Trustee's agents and counsel.

(b) The Issuers and the Guarantors will indemnify the Trustee against any and all losses, claims, damages, expenses, fees, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses (including attorneys fees and expenses) of enforcing this Indenture against the Issuers and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuers, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Trustee will notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers will not relieve the Issuers or any of the Guarantors of their obligations hereunder. The Issuers or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Issuers will pay the reasonable fees and expenses of such counsel. Neither the Issuers nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Issuers and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture.

(d) To secure the Issuers' and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, or interest or Additional Interest, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(8) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) The Trustee will comply with the provisions of TIA §313(b)(2) to the extent applicable.

(g) The Trustee shall have no liability or responsibility for any action or inaction on the part of any Paying Agent, Registrar, authenticating agent, Custodian (aside from the Trustee acting in such capacities and subject to the terms hereof).

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;

- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuers, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition, at the expense of the Issuers, any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided*, all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee. The Trustee shall have no responsibility for any action or inaction of any successor Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50.0 million as set forth in its most recent published annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA §310(a)(1), (2) and (5). The Trustee is subject to TIA §310(b).

The Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). A Trustee who has resigned or been removed shall be subject to TIA §311(a) to the extent indicated therein.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuers may at any time elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuers and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (a) and (b) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on written demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, or interest or Additional Interest, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (b) the Issuers' obligations with respect to such Notes under Article 2 and Section 4.02 hereof;
- (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuers' and the Guarantors' obligations in connection therewith; and
- (d) this Article 8.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of their option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.03, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.14, 4.15, 4.16, 4.17, 4.18, 4.19 and 4.20 hereof and clause (d) of Section 5.01(A) hereof with respect to the outstanding Notes on and after the date the conditions set forth

in Section 8.04 hereof are satisfied (hereinafter, “*Covenant Defeasance*”), and the Notes will thereafter be deemed not “outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed “outstanding” for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to the outstanding Notes and Note Guarantees, the Issuers and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Issuers’ exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3), (4), (5), (6), (7) (only as such clause 7 applies to Significant Subsidiaries), (8) (only as such clause 8 applies to Significant Subsidiaries) and (9) hereof will not constitute Events of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(a) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, premium on, if any, interest and Additional Interest, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuers must specify whether Notes are being defeased to such stated date for payment or to a particular redemption date;

(b) in the case of an election under Section 8.02 hereof, the Issuers must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions:

- (1) the Issuers have received from, or there has been published by, the Internal Revenue Service a ruling; or
- (2) since the Issue Date, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of an election under Section 8.03 hereof, the Issuers must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(e) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which either of the Issuers or any of the Guarantors is a party or by which either of the Issuers or any of the Guarantors is bound;

(f) the Issuers must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuers with the intent of preferring the Holders of Notes over the other creditors of the Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(g) the Issuers must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Notwithstanding the foregoing provisions of this Section 8.04, the conditions set forth in the foregoing subsections (b), (c), (d), (e), (f) and (g) of this Section 8.04 need not be satisfied so long as, at the time the Issuers make the deposit described in subsection (a), (i) no Default under Section 6.01(1), (2) and (8) has occurred and is continuing on the date of such deposit and after giving effect thereto and (ii) either (x) a notice of redemption has been mailed providing for redemption of all the Notes not more than 60 days after such mailing and the requirements for such redemption shall have been complied with or (y) the Stated Maturity of the Notes will occur within 60 days. If the conditions in the preceding sentence are satisfied, the Issuers shall be deemed to have exercised their Covenant Defeasance option.

Section 8.05 Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, interest and Additional Interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Issuers will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the written request of the Issuers any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to Issuers.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium on, if any, or interest or Additional Interest, if any, on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest or Additional Interest, if any, has become due and payable shall be paid to the Issuers on their written request or (if then held by the Issuers) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, will thereupon cease.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders of Notes.

Notwithstanding Section 9.02, without the consent of any Holder of Notes, the Issuers, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Note Guarantees:

(a) to cure any ambiguity, defect or inconsistency;

(b) to provide for uncertificated Notes in addition to or in place of certificated Notes (provided that the uncertificated notes are issued in registered form for purposes of Section 163(f) of the Code);

(c) to provide for the assumption of an Issuer's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees by a successor to an Issuer or such Guarantor pursuant to Article 5 or Article 10 hereof;

(d) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder;

(e) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;

(f) to conform the text of this Indenture, the Notes or the Note Guarantees to any provision of the "Description of the Notes" section of the Offering Memorandum, to the extent that such provision in that "Description of the Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Notes or the Note Guarantees, which intent may be evidenced by an Officers' Certificate to that effect;

(g) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date; or

(h) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes.

Upon the request of the Issuers accompanied by resolutions of their respective Boards of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 With Consent of Holders of Notes.

Except as provided below in this Section 9.02, the Issuers, the Guarantors and the Trustee may amend or supplement this Indenture (including, without limitation, Sections 3.09, 4.10 and 4.14 hereof) and the Notes and the Note Guarantees with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, interest or Additional Interest, if any, on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for Notes).

Upon the request of the Issuers accompanied by resolutions of their Boards of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers will promptly mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Issuers or any Guarantor with any provision of this Indenture, the Notes or the Note Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(a) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(b) reduce the principal of or change the fixed maturity of any Note or alter or waive any of the provisions with respect to the redemption of the Notes (except as provided above with respect to Sections 3.08, 3.09, 4.10 and 4.14 hereof);

(c) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(d) waive a Default or Event of Default in the payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(e) make any Note payable in money other than that stated in the Notes;

(f) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, premium on, if any, or interest or Additional Interest, if any, on, the Notes;

(g) waive a redemption payment with respect to any Note (other than a payment required by Sections 3.08, 3.09, 4.10 or 4.14 hereof);

(h) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture;
or

(i) make any change in the preceding amendment and waiver provisions.

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuers may not sign an amended or supplemental indenture until the Boards of Directors of the Issuers approve it. In executing any amended or supplemental indenture, the Trustee will receive and (subject to Section 7.01 hereof) will be fully protected in conclusively relying upon, in addition to the documents required by Section 12.04 hereof, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such supplemental indenture constitutes the valid and binding obligation of the Issuers and any Guarantors party thereto, enforceable against such parties in accordance with its terms, subject to customary exceptions.

ARTICLE 10
NOTE GUARANTEES

Section 10.01 *Guarantee.*

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuers hereunder or thereunder, that:

(1) the principal of, premium on, if any, and interest and Additional Interest, if any, on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest and Additional Interest, if any, on, the Notes, if lawful, and all other obligations of the Issuers to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuers, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuers, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenants that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to any of the Issuers or the Guarantors, any amount paid either to the Trustee or to such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 10.02 *Limitation on Guarantor Liability.*

(A) Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state or foreign law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance under federal, state or similar foreign law.

(B) Notwithstanding anything to the contrary contained in this Indenture, the aggregate obligations and exposure of each of Endo Luxembourg Finance Company II S.à r.l. and any other Guarantor established in Luxembourg of which either Issuer is not a direct or indirect subsidiary (a “*Luxembourg Guarantor*”) in respect of the obligations of the Issuers under the Notes, shall be limited at any time to an aggregate amount not exceeding 95% of the greater of:

(a) an amount equal to the sum of the relevant Luxembourg Guarantor’s Net Assets (as defined below), as reflected in the most recent financial information of the relevant Luxembourg Guarantor available to the Trustee at the Issue Date, including, without limitation, its most recently and duly approved financial statements (*comptes annuels*) and any (unaudited) interim financial statements signed by its board of managers (*gérants*) or by its board of directors (*conseil d’administration*), as applicable (or, if no financial information is available with respect to the relevant Luxembourg Guarantor at the Issue Date, the first financial information available with respect to such Luxembourg Guarantor after the Issue Date); and

(b) an amount equal to the sum of the relevant Luxembourg Guarantor’s Net Assets, as reflected in the most recent financial information of the relevant Luxembourg Guarantor available to the Trustee at the date the Note Guarantee is enforced against the relevant Luxembourg Guarantor, including, without limitation, its most recently and duly approved financial statements (*comptes annuels*) and any (unaudited) interim financial statements signed by its board of managers (*gérants*) or by its board of directors (*conseil d’administration*), as applicable.

Should the financial information of the relevant Luxembourg Guarantor not be available on the Issue Date, the relevant Luxembourg Guarantor’s Net Assets will be determined in accordance with the Luxembourg accounting principles referred to below.

For the purposes of this Section 10.02(B), “Net Assets” shall mean all the assets (*actifs*) of the relevant Luxembourg Guarantor minus its liabilities (*provisions et dettes*) as valued either (i) at the fair market value determined by an independent third party appointed by the Luxembourg Guarantor, or (ii) if no such market value has been determined, in accordance with Luxembourg generally accepted accounting principles (“*Lux GAAP*”) or International Financial Reporting Standards (“*IFRS*”), as applicable, and the relevant provisions of the Luxembourg Act of December 19, 2002 on the Register of Commerce and Companies, on accounting and on annual accounts of the companies, as amended. For the avoidance of doubt, this Section 10.02(B) does not apply to Endo Luxembourg Holding Company S.à r.l. and Endo Luxembourg Finance Company I S.à r.l.

Section 10.03 *Issuance and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 10.01, each Guarantor hereby agrees that this Indenture (or a supplemental indenture to this Indenture) shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Note Guarantee on the Notes.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors. Upon execution of a supplemental indenture to this Indenture by any Guarantor in the form of Exhibit E hereto, the Note Guarantee set forth in this Indenture and such supplemental indenture shall be deemed duly delivered, without any further action by any Person, on behalf of such Guarantor. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Section 10.04 Guarantors May Consolidate, etc., on Certain Terms.

Except as otherwise provided in Section 10.05 hereof, no Guarantor may sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than the Issuers or another Guarantor, unless:

(a) immediately after giving effect to such transaction, no Default or Event of Default exists; and

(b) either:

(1) subject to Section 10.05 hereof, the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger (the "Successor Guarantor") unconditionally assumes all the obligations of that Guarantor under its Note Guarantees, this Indenture and the Registration Rights Agreement on the terms set forth herein or therein, pursuant to a supplemental indenture in form and substance reasonably satisfactory to the Trustee; or

(2) the Net Proceeds of such sale or other disposition are applied in accordance with the applicable provisions of this Indenture, including without limitation, Section 4.10 hereof.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the Successor Guarantor, by a supplemental indenture, of the Note Guarantees and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such Successor Guarantor will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clauses b(1) and b(2) above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Issuers or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuers or another Guarantor.

Section 10.05 Releases.

(a) In the event of any sale or other disposition of all or substantially all of the assets of any Guarantor, by way of merger, consolidation or otherwise, to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, then the corporation acquiring the property will be released and relieved of any obligations under the Note Guarantee;

(b) In the event of any sale or other disposition of Capital Stock of any Guarantor to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, and such Guarantor ceases to be a Restricted Subsidiary as a result of the sale or other disposition, then such Guarantor will be released and relieved of any obligations under its Note Guarantee;

provided, in both cases, that the Net Proceeds of such sale or other disposition are applied in accordance with the applicable provisions of this Indenture, including without limitation Section 4.10 hereof. Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Company in accordance with the provisions of this Indenture, including without limitation Section 4.10 hereof, the Trustee will execute any documents reasonably required in order to evidence the release of any Guarantor from its obligations under its Note Guarantee.

(c) Upon designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Indenture, such Guarantor will be released and relieved of any obligations under its Note Guarantee.

(d) Upon Legal Defeasance or Covenant Defeasance in accordance with Article 8 hereof or satisfaction and discharge of this Indenture in accordance with Article 11 hereof, each Guarantor will be released and relieved of any obligations under its Note Guarantee.

(e) Upon the release of the Guarantor's guarantee under all applicable Triggering Indebtedness, each Guarantor will be released and relieved of any obligations under its Note Guarantee.

Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 10.05 will remain liable for the full amount of principal of, premium on, if any, and interest and Additional Interest, if any, on, the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 10.

ARTICLE 11 SATISFACTION AND DISCHARGE

Section 11.01 *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(a) either:

(1) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuers, have been delivered to the Trustee for cancellation; or

(2) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Issuers or any Guarantor have irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal of, premium on, if any, interest and Additional Interest, if any, on, the Notes to the date of maturity or redemption; *provided*, that, upon any redemption that requires the payment of a premium, the amount deposited shall be sufficient to the extent that an amount

is deposited with the Trustee equal to the premium calculated as of the date of the notice of redemption, with any deficit on the date of redemption only required to be deposited with the Trustee on or prior to the date of redemption (it being understood that any satisfaction and discharge shall be subject to the condition subsequent that such deficit is in fact paid);

(b) in respect of Section 11.01(a)(2), no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Indebtedness and, in each case, the granting of Liens to secure such borrowings) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Issuers or any Guarantor is or are a party or by which the Issuers or any Guarantor is or are bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(c) the Issuers or any Guarantor has or have paid or caused to be paid all sums payable by it or them under this Indenture; and

(d) the Issuers have delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Issuers must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to Section 11.01(a)(2), the provisions of Sections 11.02 and 8.06 hereof will survive. In addition, nothing in this Section 11.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest and Additional Interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Issuers have made any payment of principal of, premium on, if any, or interest or Additional Interest, if any, on any Notes because of the reinstatement of their obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

6.00% Senior Notes due 2025

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST.* Endo Limited, a private limited company incorporated under the laws of Ireland, Endo Finance LLC, a Delaware limited liability company and Endo Finco Inc., a Delaware corporation (collectively, the “*Issuers*”), promise to pay or cause to be paid interest on the principal amount of this Note at 6.000% per annum from January 27, 2015 until maturity and shall pay the Additional Interest, if any payable pursuant to the Registration Rights Agreement referred to below. The Issuers will pay interest, semi-annually in arrears on February 1 and August 1 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further*, that the first Interest Payment Date shall be August 1, 2015. The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Issuers will pay interest on the Notes (except defaulted interest) and Additional Interest, if any, to the Persons who are registered Holders of Notes at the close of business on the January 15 and July 15 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest and Additional Interest, if any, at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Issuers, payment of interest and Additional Interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, and interest and Additional Interest, if any, on all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuers or the Paying Agent at least five Business Days prior to the applicable Payment Date. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Issuers or any of the Company’s Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE*. The Issuers issued the Notes under an Indenture, dated as January 27, 2015 (as amended or supplemented from time to time, the “*Indenture*”), among the Issuers, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Issuers. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION*.

(a) At any time prior to February 1, 2018, the Issuers may on any one or more occasions redeem up to 35% of the aggregate principal amount of the Notes issued under the Indenture, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 106.000% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Additional Interest, if any, to, but not including, the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date if the Notes have not been redeemed prior to such date), with the net cash proceeds of an Equity Offering; *provided that*:

(1) at least 65% of the aggregate principal amount of Notes originally issued under the Indenture (excluding Notes held by the Issuers and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 120 days of the date of the closing of such Equity Offering.

(b) At any time prior to February 1, 2020, the Issuers may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to, but not including, the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

Exchange Offer promptly after the Exchange Offer Registration Statement is declared effective by the SEC and (iv) use their commercially reasonable efforts to complete the Exchange Offer not later than July 1, 2016. The Issuers and the Guarantors shall cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to consummate the Exchange Offer; *provided, however*, that in no event shall such period be less than 20 Business Days after the date notice of the Exchange Offer is transmitted to the Holders.

The Issuers and the Guarantors shall commence the Exchange Offer by transmitting the related Prospectus, appropriate letters of transmittal and other accompanying documents to each Holder stating, in addition to such other disclosures as are required by applicable law, substantially the following:

(i) that the Exchange Offer is being made pursuant to this Agreement and that all Registrable Securities validly tendered and not properly withdrawn will be accepted for exchange;

(ii) the dates of acceptance for exchange (which shall be a period of at least 20 Business Days from the date such notice is transmitted) (the "Exchange Dates");

(iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest but will not retain any rights under this Agreement, except as otherwise specified herein;

(iv) that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to (A) surrender such Registrable Security, together with the appropriate letters of transmittal, to the institution and at the address and in the manner specified in the notice, or (B) effect such exchange otherwise in compliance with the applicable procedures of the depository for such Registrable Security, in each case prior to the close of business on the last Exchange Date; and

(v) that any Holder will be entitled to withdraw its election, not later than the close of business on the last Exchange Date, by (A) sending to the institution and at the address specified in the notice, a telegram, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is withdrawing its election to have such Securities exchanged or (B) effecting such withdrawal in compliance with the applicable procedures of the depository for the Registrable Securities.

As a condition to participating in the Exchange Offer, each Holder will be required to represent to the Issuers and the Guarantors prior to the consummation of the Exchange Offer (which representation may be contained in the letter of transmittal contemplated by the Exchange Offer Registration Statement) that (1) any Exchange Securities to be received by it will be acquired in the ordinary course of its business, (2) at the time of the commencement of the Exchange Offer it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities in violation of

the provisions of the Securities Act, (3) it is not an “affiliate” (within the meaning of Rule 405 promulgated under the Securities Act) of the Issuers or any Guarantor, (4) if such holder is not a broker-dealer, that it is not engaged in, and does not intend to engage in, the distribution of Exchange Securities and (5) if such Holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities that were acquired as a result of market-making or other trading activities, then such Holder will deliver a Prospectus (or, to the extent permitted by law, make available a Prospectus to purchasers) in connection with any resale of such Exchange Securities.

As soon as practicable after the last Exchange Date, the Issuers and the Guarantors shall:

(vi) accept for exchange Registrable Securities or portions thereof validly tendered and not properly withdrawn pursuant to the Exchange Offer; and

(vii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Issuers and issue, and cause the Trustee to promptly authenticate and deliver to each Holder, Exchange Securities equal in principal amount to the principal amount of the Registrable Securities validly tendered by such Holder and accepted for exchange pursuant to the Exchange Offer.

The Issuers and the Guarantors shall use their commercially reasonable efforts to complete the Exchange Offer as provided above and shall comply with the applicable requirements of the Securities Act, the Exchange Act and other applicable laws and regulations in connection with the Exchange Offer. The Exchange Offer shall not be subject to any conditions, other than that the Exchange Offer does not violate any applicable law or applicable interpretations of the Staff.

(b) In the event that (i) the Issuers and the Guarantors determine that the Exchange Offer Registration provided for in Section 2(a) hereof is not available or the Exchange Offer may not be completed as soon as reasonably practicable after the last Exchange Date because it would violate any applicable law or applicable interpretations of the Staff, (ii) the Exchange Offer is not for any other reason completed on or before the Target Registration Date (or if such day is not a Business Day, the next succeeding Business Day) or (iii) upon receipt of a written request (a “Shelf Request”) from any Initial Purchaser representing that it holds Registrable Securities that are or were ineligible to be exchanged in the Exchange Offer; *provided that* no such Shelf Request shall be made prior to July 1, 2016, the Issuers and the Guarantors shall use their commercially reasonable efforts to (x) file the Shelf Registration Statement by the 30th day after such determination date or Shelf Request, as the case may be, a Shelf Registration Statement providing for the sale of all the Registrable Securities by the Holders thereof and (y) cause such Shelf Registration Statement to become effective within 90 days after such filing; *provided*, that no Holder will be entitled to have any Registrable Securities included in any Shelf Registration Statement, or entitled to use the prospectus forming a part of such Shelf Registration Statement, until such Holder shall have delivered a completed and signed Notice and Questionnaire and provided such other information regarding such Holder to the Issuers as is contemplated by Section 3(b) hereof.

In the event that the Issuers and the Guarantors are required to file a Shelf Registration Statement pursuant to clause (iii) of the preceding sentence, the Issuers and the Guarantors shall use their commercially reasonable efforts to file and have become effective both an Exchange Offer Registration Statement pursuant to Section 2(a) hereof with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by the Initial Purchasers.

The Issuers and the Guarantors agree to use their commercially reasonable efforts to keep the Shelf Registration Statement continuously effective until the earliest of (i) two years after the date hereof or (ii) the date on which all of the Registrable Securities are registered under the Shelf Registration Statement and resold pursuant to it (the "Shelf Effectiveness Period"). The Issuers and the Guarantors further agree to supplement or amend the Shelf Registration Statement, the related Prospectus and any Free Writing Prospectus if required by the rules, regulations or instructions applicable to the registration form used by the Issuers for such Shelf Registration Statement or by the Securities Act or by any other rules and regulations thereunder or if reasonably requested by a Holder of Registrable Securities with respect to information relating to such Holder, and to use their commercially reasonable efforts to cause any such amendment to become effective, if required, and such Shelf Registration Statement, Prospectus or Free Writing Prospectus, as the case may be, to become usable as soon as thereafter practicable. Upon the written request of the Participating Holders, the Issuers and the Guarantors agree to furnish to such Participating Holders copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) The Issuers and the Guarantors shall pay all Registration Expenses in connection with any registration pursuant to Section 2(a) or Section 2(b) hereof. Each Holder shall pay all underwriting discounts and commissions, brokerage commissions and transfer taxes, if any, relating to the sale or disposition of such Holder's Registrable Securities pursuant to the Shelf Registration Statement.

(d) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof will not be deemed to have become effective unless it has been declared effective by the SEC. A Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC or is automatically effective upon filing with the SEC as provided by Rule 462 under the Securities Act.

If a Registration Default occurs, the interest rate on the Registrable Securities will be increased by (i) 0.25% per annum for the first 90-day period beginning on the day immediately following such Registration Default and (ii) an additional 0.25% per annum with respect to each subsequent 90-day period, in each case until and including the date such Registration Default ends, up to a maximum increase of 0.50% per annum (such additional interest, the "Additional Interest"). A Registration Default ends when the Securities cease to be Registrable Securities or, if earlier, (1) in the case of a Registration Default under clause (i) of the definition thereof, when the Exchange Offer Registration Statement is filed, (2) in the case of a Registration Default under clause (ii) of the definition thereof, when the Exchange Offer is completed, (3) in the case of a Registration Default under clause (iii) of the definition thereof, when the Shelf Registration Statement becomes effective or (4) in the case of a Registration Default under clause (iv) or

clause (v) of the definition thereof, when the Shelf Registration Statement again becomes effective or the Prospectus again becomes usable. If at any time more than one Registration Default has occurred and is continuing, then, until the next date that there is no Registration Default, the increase in interest rate provided for by this paragraph shall apply as if there occurred a single Registration Default that begins on the date that the earliest such Registration Default occurred and ends on such next date that there is no Registration Default.

(e) Notwithstanding anything to the contrary contained herein, the Issuers and the Guarantors may suspend the effectiveness of the Shelf Registration Statement for up to 45 days in any 90-day period but no more than 90 days in any 365-day period (such period, a “Suspension Period”) (except for the consecutive 45-day period immediately prior to maturity of the Securities), if there is a possible acquisition or business combination or other transaction, business development or event involving the Endo International plc or any of its subsidiaries that may require disclosure in the Shelf Registration Statement and the Issuers determine in the exercise of their reasonable judgment that such disclosure is not in the best interests of Endo or obtaining any financial statements relating to an acquisition or business combination required to be included in the Shelf Registration Statement would be impracticable. If a Suspension Period is triggered, the Issuers shall promptly notify any Participating Holders of the suspension of the effectiveness of the Shelf Registration Statement; *provided that* such notice shall not require the Issuers to disclose the possible acquisition or business combination or other transaction, business development or event if the Issuers determine in good faith that such acquisition or business combination or other transaction, business development or event should remain confidential. Upon the abandonment, consummation or termination of the possible acquisition or business combination or other transaction, business development or event or the availability of the required financial statements with respect to a possible acquisition or business combination, the suspension of the use of the Shelf Registration Statement pursuant to this paragraph shall cease and the Issuers shall promptly notify Participating Holders that the use of the prospectus contained in the Shelf Registration Statement as amended or supplemented, as applicable, may resume. The Issuers shall provide a reasonable number of copies of the latest version of such prospectus to Participating Holders, promptly upon written request, and in no event later than five Business Days after such request, at any time during such period.

(f) Notwithstanding anything to the contrary contained herein, the increased interest rate described in Section 2(d) hereof is the sole and exclusive remedy available to Holders due to a failure by the Issuers and the Guarantors to comply with their obligations under Section 2(a) and Section 2(b) hereof, so long as the Issuers and the Guarantors are acting in good faith hereunder, including, without limitation, with respect to satisfying their obligations.

3. Registration Procedures.

(a) In connection with their obligations pursuant to Section 2(a) and Section 2(b) hereof, the Issuers and the Guarantors shall as soon as practicable (unless otherwise stated below):

(i) prepare and file with the SEC a Registration Statement on the appropriate form under the Securities Act, which form (A) shall be selected by the Issuers and the Guarantors, (B) shall, in the case of a Shelf Registration, be available for the sale of the

Registrable Securities by the Holders thereof and (C) shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the SEC to be filed therewith; and use their commercially reasonable efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 2 hereof;

(ii) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for the applicable period in accordance with Section 2 hereof and cause each Prospectus to be supplemented by any required prospectus supplement and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act; and keep each Prospectus current during the period described in Section 4(3) of and Rule 174 under the Securities Act that is applicable to transactions by brokers or dealers with respect to the Registrable Securities or Exchange Securities;

(iii) to the extent any Free Writing Prospectus is used, file with the SEC any Free Writing Prospectus that is required to be filed by the Issuers or the Guarantors with the SEC in accordance with the Securities Act and to retain any Free Writing Prospectus not required to be filed;

(iv) in the case of a Shelf Registration, upon written request, furnish to each Participating Holder, to counsel for the Initial Purchasers, to counsel for all such Participating Holders and to each Underwriter of an Underwritten Offering of Registrable Securities, if any, without charge, as many copies of each Prospectus, preliminary prospectus or Free Writing Prospectus, and any amendment or supplement thereto, as such Participating Holder, counsel or Underwriter may reasonably request in writing in order to facilitate the sale or other disposition of the Registrable Securities thereunder; and, subject to Section 3(c) hereof, the Issuers and the Guarantors consent to the use of such Prospectus, preliminary prospectus or such Free Writing Prospectus and any amendment or supplement thereto in accordance with applicable law by each of the Participating Holders and any such Underwriters in connection with the offering and sale of the Registrable Securities covered by and in the manner described in such Prospectus, preliminary prospectus or such Free Writing Prospectus or any amendment or supplement thereto in accordance with applicable law;

(v) use their commercially reasonable efforts to register or qualify the Registrable Securities under all applicable state securities or blue sky laws of such jurisdictions as any Participating Holder shall reasonably request in writing by the time the applicable Registration Statement becomes effective; cooperate with such Participating Holders in connection with any filings required to be made with FINRA; and use their commercially reasonable efforts to do any and all other acts and things that may be reasonably necessary or advisable to enable each Participating Holder to complete the disposition in each such jurisdiction of the Registrable Securities owned by such Participating Holder; *provided that* none of the Issuers or the Guarantors shall be required to (1) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (2) file any general consent to service of process in any such jurisdiction (3) subject itself to

taxation in any such jurisdiction if it is not so subject or (4) make any changes to its incorporating or organizational documents or limited liability agreement, if applicable, or any other agreement between it and its stockholders or members, if any;

(vi) notify counsel for the Initial Purchasers and, in the case of a Shelf Registration, notify each Participating Holder and counsel for such Participating Holders promptly and, if requested by any such Participating Holder or counsel, confirm such advice in writing (1) when a Registration Statement has become effective, when any post-effective amendment thereto has been filed and becomes effective, when any Free Writing Prospectus has been filed or any amendment or supplement to the Prospectus or any Free Writing Prospectus has been filed, (2) of any request by the SEC or any state securities authority for amendments and supplements to a Registration Statement, Prospectus or any Free Writing Prospectus or for additional information after the Registration Statement has become effective, (3) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Issuers of any notice of objection of the SEC to the use of a Shelf Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, (4) if, between the applicable effective date of a Shelf Registration Statement and the closing of any sale of Registrable Securities covered thereby, the representations and warranties of the Issuers or any Guarantor contained in any underwriting agreement, securities sales agreement or other similar agreement, if any, relating to an offering of such Registrable Securities cease to be true and correct in all material respects or if the Issuers or any Guarantor receive any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, (5) of the happening of any event during the period a Registration Statement is effective that makes any statement made in such Registration Statement or the related Prospectus or any Free Writing Prospectus untrue in any material respect or that requires the making of any changes in such Registration Statement or Prospectus or any Free Writing Prospectus in order to make the statements therein, in the light of the circumstances under which such statements were made, not misleading and (6) of any determination by the Issuers or any Guarantor that a post-effective amendment to a Registration Statement or any amendment or supplement to the Prospectus or any Free Writing Prospectus would be appropriate;

(vii) use their commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement or, in the case of a Shelf Registration, the resolution of any objection of the SEC pursuant to Rule 401(g)(2) under the Securities Act, including by filing an amendment to such Registration Statement on the proper form, at the earliest practicable date and provide prompt notice to each Holder or Participating Holder of the withdrawal of any such order or such resolution;

(viii) in the case of a Shelf Registration, upon the written request of the Participating Holders, furnish to each such Participating Holder, without charge, at least one conformed copy of each Registration Statement and any post-effective amendment thereto (without any documents incorporated therein by reference or exhibits thereto, unless requested);

(ix) in the case of a Shelf Registration, unless any Registrable Securities shall be in book-entry only form, cooperate with the Participating Holders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends and enable such Registrable Securities to be issued in such denominations and registered in such names (consistent with the provisions of the Indenture) as such Participating Holders may reasonably request at least two Business Day prior to the closing of any sale of Registrable Securities;

(x) in the case of a Shelf Registration, upon the occurrence of any event contemplated by Section 3(a)(vi)(5) hereof, use their commercially reasonable efforts to prepare and file with the SEC a supplement or post-effective amendment to such Shelf Registration Statement or the related Prospectus or any Free Writing Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered (or, to the extent permitted by law, made available) to purchasers of the Registrable Securities, such Prospectus or Free Writing Prospectus, as the case may be, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and the Issuers and the Guarantors shall notify the Participating Holders (in the case of a Shelf Registration Statement) and the Initial Purchasers and any Participating Broker-Dealers known to the Issuers (in the case of an Exchange Offer Registration Statement) to suspend use of the Prospectus or any Free Writing Prospectus as promptly as practicable after the occurrence of such an event, and such Participating Holders, such Participating Broker-Dealers and the Initial Purchasers, as applicable, hereby agree to suspend use of the Prospectus or any Free Writing Prospectus, as the case may be, until the Issuers and the Guarantors have amended or supplemented the Prospectus or the Free Writing Prospectus, as the case may be, to correct such misstatement or omission;

(xi) a reasonable time prior to the filing of any Registration Statement, any Prospectus, any Free Writing Prospectus, any amendment to a Registration Statement or amendment or supplement to a Prospectus or a Free Writing Prospectus (other than any document that is to be incorporated by reference into a Registration Statement, a Prospectus or a Free Writing Prospectus after initial filing of a Registration Statement and does not name the Holders of Registrable Securities in their capacity as such), provide copies of such document to the Initial Purchasers and their counsel (if any Initial Purchaser holds any Registrable Securities) (and, in the case of a Shelf Registration Statement, to the Participating Holders and their counsel) and make such of the representatives of the Issuers and the Guarantors as shall be reasonably requested by the Initial Purchasers or their counsel (if any Initial Purchaser holds any Registrable Securities) (and, in the case of a Shelf Registration Statement, the Participating Holders or their counsel) available for discussion of such document; and the Issuers and the Guarantors shall not, at any time after initial filing of a Registration Statement, use or file any Prospectus, any Free Writing Prospectus, any amendment of or supplement to a Registration Statement or a Prospectus or a Free Writing Prospectus (other than any document that is to be incorporated by reference into a Registration Statement, a Prospectus or a Free Writing Prospectus and does not name the Holders of Registrable Securities in their capacity as such), of which the Initial Purchasers and their counsel (if

any Initial Purchaser holds any Registrable Securities and, in the case of a Shelf Registration Statement, the Participating Holders and their counsel) shall not have previously been advised and furnished a copy or to which the Initial Purchasers or their counsel (if any Initial Purchaser holds Registrable Securities and, in the case of a Shelf Registration Statement, the Participating Holders or their counsel) shall reasonably object within five Business Days after receipt thereof, unless the Issuers believe such Prospectus, Free Writing Prospectus or amendment or supplement to such Prospectus or Free Writing Prospectus is required by applicable law;

(xii) obtain a CUSIP number for all Exchange Securities or Registrable Securities, as the case may be, not later than the initial effective date of a Registration Statement;

(xiii) cause the Indenture to be qualified under the Trust Indenture Act in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be; cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and execute, and use their commercially reasonable efforts to cause the Trustee to execute, all documents as may be required to effect such changes and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(xiv) in the case of a Shelf Registration, make available for inspection by a representative of the Participating Holders (an “Inspector”), any Underwriter participating in any disposition pursuant to such Shelf Registration Statement, any attorneys and accountants designated by a majority in aggregate principal amount of the Securities held by the Participating Holders (but not more than one counsel and one accounting firm acting for all such Participating Holders) and any attorneys and accountants designated by such Underwriter (but not more than one counsel and one accounting firm acting for such underwriter), at reasonable times and in a reasonable manner, all pertinent financial and other records, documents and properties of the Issuers, the Guarantors and their subsidiaries, and cause the respective officers, directors and employees of the Issuers and the Guarantors to supply all information reasonably requested by any such Inspector, Underwriter, attorney or accountant to conduct reasonable investigation within the meaning of Section 11 of the Securities Act in connection with a Shelf Registration Statement; provided, that the foregoing investigation and information gathering shall be coordinated on behalf of such parties by one counsel designated by and on behalf of such parties; and provided further, if any such information is identified by the Issuers or any Guarantor as being confidential or proprietary, each Person shall be entitled to receive such information only after entering into a non-disclosure agreement in a form acceptable to the Issuers;

(xv) if reasonably requested by any Participating Holder, promptly include in a Prospectus supplement or post-effective amendment such information with respect to such Participating Holder as such Participating Holder reasonably requests to be included therein and make all required filings of such Prospectus supplement or such post-effective amendment promptly after the Issuers have received notification of the matters to be so included in such filing, and in any event within 30 days of the Issuers’ receipt of such notification;

(xvi) in the case of a Shelf Registration, enter into such customary agreements and take all such other reasonable actions in connection therewith (including those reasonably requested by the Holders of a majority in principal amount of the Registrable Securities covered by the Shelf Registration Statement) in order to expedite or facilitate the disposition of such Registrable Securities including, but not limited to, an Underwritten Offering and in such connection, (1) to the extent possible, make such representations and warranties to the Participating Holders and any Underwriters of such Registrable Securities with respect to the business of the Issuers, the Guarantors and their subsidiaries and the Registration Statement, Prospectus, any Free Writing Prospectus and documents incorporated by reference or deemed incorporated by reference, if any, in each case, in form, substance and scope as are customarily made by issuers and guarantors to underwriters in underwritten offerings and confirm the same if and when requested, (2) use commercially reasonable efforts to obtain opinions of counsel to the Issuers and the Guarantors (which counsel and opinions, in form, scope and substance, shall be reasonably satisfactory to the Participating Holders and such Underwriters and their counsel), addressed to each Participating Holder and Underwriter of Registrable Securities, covering the matters customarily covered in opinions requested in underwritten offerings, (3) use commercially reasonable efforts to obtain “comfort” letters from the independent registered public accountants of the Issuers and the Guarantors (and, if necessary, any other registered public accountant of any subsidiary of the Issuers or any Guarantor, or of any business acquired by the Issuers or any Guarantor for which financial statements and financial data are or are required to be included in the Registration Statement) addressed to each Participating Holder (to the extent permitted by applicable professional standards) and Underwriter of Registrable Securities, such letters to be in customary form and covering matters of the type customarily covered in “comfort” letters in connection with underwritten offerings, including but not limited to financial information contained in any preliminary prospectus, Prospectus or Free Writing Prospectus and (4) deliver such documents and certificates as may be reasonably requested by the Holders of a majority in principal amount of the Registrable Securities being sold or the Underwriters, and which are customarily delivered in underwritten offerings, to evidence the continued validity of the representations and warranties of the Issuers and the Guarantors made pursuant to clause (1) above and to evidence compliance with any customary conditions contained in an underwriting agreement; and

(xvii) so long as any Registrable Securities remain outstanding, cause each Additional Guarantor upon the creation or acquisition by Endo of such Additional Guarantor, to execute a counterpart to this Agreement in the form attached hereto as Annex A and to deliver such counterpart to the Initial Purchasers no later than ten Business Days following the execution thereof.

(b) In the case of a Shelf Registration Statement, the Issuers may require each Holder of Registrable Securities to furnish to the Issuers a Notice and Questionnaire and such other information regarding such Holder and the proposed disposition by such Holder of such Registrable Securities as the Issuers and the Guarantors may from time to time reasonably request in writing.

(c) In the case of a Shelf Registration Statement, each Participating Holder agrees that, upon receipt of any notice from the Issuers and the Guarantors of the happening of any event of the kind described in Section 3(a)(vi)(3) or Section 3(a)(vi)(5) hereof, such Participating Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Participating Holder's receipt of the copies of the supplemented or amended Prospectus and any Free Writing Prospectus contemplated by Section 3(a)(x) hereof, or until it is advised in writing by the Issuers that the use of the Prospectus may be resumed, and, if so directed by the Issuers and the Guarantors, such Participating Holder will deliver to the Issuers and the Guarantors all copies in its possession, other than permanent file copies then in such Participating Holder's possession, of the Prospectus and any Free Writing Prospectus covering such Registrable Securities that is current at the time of receipt of such notice.

(d) If the Issuers and the Guarantors shall give any notice to suspend the disposition of Registrable Securities pursuant to a Registration Statement, the Issuers and the Guarantors shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement by the number of days during the period from and including the date of the giving of such notice to and including the date when the Holders of such Registrable Securities shall have received copies of the supplemented or amended Prospectus or any Free Writing Prospectus necessary to resume such dispositions. Such suspensions shall not exceed 45 days in any 90-day period or 90 days in any 365-day period.

(e) The Participating Holders who desire to do so may sell their Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment bank or investment banks and manager or managers (each an "Underwriter") that will administer the offering will be selected by the Holders of a majority of outstanding aggregate principal amount of the Registrable Securities included in such offering.

4. Participation of Broker-Dealers in Exchange Offer .

(a) The Staff has taken the position that any broker-dealer that receives Exchange Securities for its own account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (a "Participating Broker-Dealer") may be deemed to be an "underwriter" within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Securities.

The Issuers and the Guarantors understand that it is the Staff's position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Securities, without naming the Participating Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Participating Broker-Dealers (or, to the extent permitted by law, made available to purchasers) to satisfy their prospectus delivery obligation under the Securities Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

(b) In light of the above, and notwithstanding the other provisions of this Agreement, the Issuers and the Guarantors agree to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement for a period of up to 180 days after the last Exchange Date (as such period may be extended pursuant to Section 3(d) of this Agreement), in order to expedite or facilitate the disposition of any Exchange Securities by Participating Broker-Dealers consistent with the positions of the Staff recited in Section 4(a) above. The Issuers and the Guarantors further agree that Participating Broker-Dealers shall be authorized to deliver such Prospectus (or, to the extent permitted by law, make available) during such period in connection with the resales contemplated by this Section 4.

(c) The Initial Purchasers shall have no liability to the Issuers, any Guarantor or any Holder with respect to any request that they may make pursuant to Section 4(b) hereof.

5. Indemnification and Contribution.

(a) The Issuers and each Guarantor, jointly and severally, agree to indemnify and hold harmless each Initial Purchaser and each Holder, their respective affiliates, directors and officers and each Person, if any, who controls any Initial Purchaser or any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred promptly following receipt of a request therefor), joint or several, that arise out of, or are based upon, (1) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (2) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus, any Free Writing Prospectus or any "issuer information" ("Issuer Information") filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser or information relating to any Holder furnished to the Issuers in writing through the Representatives or any selling Holder, respectively, expressly for use therein. In connection with any Underwritten Offering permitted by Section 3, the Issuers and the Guarantors, jointly and severally, will also indemnify the Underwriters, if any, selling brokers, dealers and similar securities industry professionals participating in the distribution, their respective affiliates and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement, any Prospectus, any Free Writing Prospectus or any Issuer Information.

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Issuers, the Guarantors, the Initial Purchasers and the other selling Holders, the directors of the Issuers and the Guarantors, each officer of the Issuers and the Guarantors who signed the Registration Statement and each Person, if any, who controls the Issuers, the Guarantors, any Initial Purchaser and any other selling Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Holder furnished to the Issuers in writing by such Holder expressly for use in any Registration Statement, any Prospectus and any Free Writing Prospectus.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such Person (the "Indemnified Person") shall promptly notify the Person against whom such indemnification may be sought (the "Indemnifying Person") in writing; *provided*, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and *provided, further*, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 5 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm (x) for any Initial Purchaser, its affiliates, directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by the Representatives, (y) for any Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders and (z) in all other cases shall be designated in writing by the Issuers. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the

Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (A) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) To the extent the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Issuers and the Guarantors from the offering of the Securities and the Exchange Securities, on the one hand, and by the Holders from receiving Securities or Exchange Securities registered under the Securities Act, on the other hand, or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Issuers and the Guarantors on the one hand and the Holders on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Issuers and the Guarantors on the one hand and the Holders on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuers and the Guarantors or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Issuers, the Guarantors and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 5 were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such Indemnified Person in connection with investigating, preparing to defend, or defending any such action or claim. Notwithstanding the provisions of this Section 5, in no event shall a Holder be required to contribute any amount in excess of the amount by which the total price at which the Securities or

Exchange Securities sold by such Holder exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 5 are several in proportion to the respective principal amount of the Registrable Securities held by each Holder and not joint.

(f) The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

(g) The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Initial Purchasers or any Holder or any Person controlling any Initial Purchaser or any Holder, or by or on behalf of the Issuers or the Guarantors or the officers or directors of or any Person controlling the Issuers or the Guarantors, (iii) acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities pursuant to a Shelf Registration Statement.

6. General.

(a) No Inconsistent Agreements. The Issuers and the Guarantors represent, warrant and agree that (i) the rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of any other outstanding securities issued or guaranteed by the Issuers or any Guarantor under any other agreement and (ii) neither the Issuers nor any Guarantor has entered into, or on or after the date of this Agreement will enter into, any agreement that is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof.

(b) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Issuers and the Guarantors have obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; *provided*, that no amendment, modification, supplement, waiver or consent to any departure from the provisions of Section 5 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder. Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders whose Registrable Securities are being tendered pursuant to the Exchange Offer, and that does not affect directly or indirectly the rights of other Holders whose Registrable Securities are not being tendered pursuant to such Exchange Offer, may be given by the Holders of a majority of the outstanding principal amount of Registrable Securities; *provided, that*, any amendments, modifications, supplements, waivers or consents pursuant to this Section 6(b) shall be by a writing executed by each of the parties hereto.

(c) Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, telecopier, or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Issuers by means of a notice given in accordance with the provisions of this Section 6(c), which address initially is, with respect to the Initial Purchasers, the addresses set forth in the Purchase Agreement; (ii) if to the Issuers and the Guarantors, initially at the Issuers' address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c); and (iii) to such other persons at their respective addresses as provided in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c). All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when receipt is acknowledged, if telecopied; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery. Copies of all such notices, demands or other communications shall be concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(d) Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; *provided*, that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the benefits hereof. The Initial Purchasers (in their capacity as Initial Purchasers) shall have no liability or obligation to the Issuers or the Guarantors with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(e) Third Party Beneficiaries. Each Holder shall be a third party beneficiary to the agreements made hereunder between the Issuers and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder.

(f) Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(g) Headings. The headings in this Agreement are for convenience of reference only, are not a part of this Agreement and shall not limit or otherwise affect the meaning hereof.

(h) Consent to Jurisdiction. The Issuers, the Guarantors and each Initial Purchaser hereby (A) agree that any suit or proceeding arising in respect of this Agreement will be tried

exclusively in the U.S. District Court for the Southern District of New York or, if that court does not have subject matter jurisdiction, in any state court located in the City and County of New York, (b) agree to submit to the jurisdiction of, and to venue in, such courts and (c) agree that a final judgment in any such action or any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or any other manner provided by law. Each of the Issuers and the Guarantors, to the extent organized outside of the United States, will appoint CT Corporation System, 111 Eighth Avenue, 13th Floor, New York, NY 10011, as its agent for service of process in any such suit, action or proceeding and agrees that service of process upon said authorized agent shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding. Each of the Issuers and the Guarantors, to the extent organized outside of the United States agrees to deliver, upon the execution and delivery of this agreement, a written acceptance by such agent of its appointment as such agent. Each of the Issuers and the Guarantors, to the extent organized outside of the United States, further agrees to take any and all action, including the filing of any and all such documents and instruments, as may be reasonably necessary to continue such designation and appointment of CT Corporation System in full force and effect for so long as this agreement remains in force.

(i) Governing Law. This Agreement, and any claim, controversy or dispute arising under or related to this Agreement shall be governed by and construed in accordance with the laws of the State of New York.

(j) Entire Agreement; Severability. This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable or against public policy, the remainder of the terms, provisions, covenants and restrictions contained herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated.
