#### Forward-Looking Statements

Thiscommunicationmay contain forward-lookingstatements within the meaning of the Private Securities Litigation ReformActof 1995 and Canadiarsecurities legislation. Theseforward-looking statements include, but are not limited to, statements regarding the proposed transaction, the financing of the proposed transaction, Endo'sand Auxilium's expected future performance (including expected results of operations and financial guidance) and the combined company's future financial condition, operating results, strategy and plans. Statements including words such as "believes, ""expects, ""anticipates, " "intends, " "estimates, " "plan," "will," "may," "look forward," "intend," "guidance," "future" or similar expression are forward-looking statements. Because these statements reflect Endo's and Auxilium's current views, expectations and beliefs concerning future events, these forward-looking statements involve risks and uncertainties. Although Endoand Auxilium believe that these forward-looking statements or information are based upon reasonable assumptions and expectations readers should not place undue reliance on them, or any other forward looking statements rifected by Endowith the SEC and with securities regulators in Canadian the System for Electronic Document Analysis and Retrieval("SEDAR") and by Auxilium with the SEC including under the caption "Risk Factors" in EHSI's form 10-K and Endo's Form 10-Q and Form 8-K filings, and in Auxilium's10K, 10-Q and 8-K filings, as applicable, and as otherwise enumerated herein or therein, could affect future financial results and could cause actual results to differ materially from those expressed forward-looking statements contained in this communication. Important factors that, individually or in the aggregate could cause actual results to differ materially from expected and historical results include, but are not limited to:

- the failure to receive the required approval from Auxilium stockholders and applicable government and regulatory authorities (and the terms of those approvals)
- · the risk that a condition to closingcontemplatedby the merger agreementmay not be satisfied or waived;
- the ultimate outcome and results of integrating the operations of Endoand Auxilium, the ultimate outcome of Endo's operating strategy applied to Auxilium and the ultimate ability to realize synergies and the magnitude of such synergies;
- the effects of the businesscombination of Endoand Auxilium, including the combined company's future financial condition, operating results, strategy and plans;
- Endo'sability to achievesignificant upsidepotential for shareholdersby accelerating the growth of XIAFLEX@nd other products of the resultant combined company;
- Endo'sability to sustainand grow revenuesand cashflow from operations in its markets and to maintain and grow its customerbase, the need for innovation
  and the related capital expenditures and the unpredictable economic conditions in the United States and other markets;
- the impact of competition from other market participants;
- the development and commercialization of new products;
- the effects of governmental regulation on our businessor potential businesscombination transaction;
- the availability and accessin general, of funds to meet Endo'sdebt obligations prior to or when they become due and to fund its operations and necessary capital expenditures, either through (i) cashon hand, (ii) free cashflow, or (iii) access to the capital or credit markets; and
- Endo'sability to comply with all covenantsin its indentures and credit facilities, any violation of which, if not cured in a timely manner, could trigger a default of
  its other obligations under cross-defaultprovisions.

All forward-lookingstatements attributable to Endoor Auxilium or any personacting on either of their behalf are expresslyqualified in their entirety by this cautionary statement. Theseforward-looking statements speakonly as of the date hereof. Neither Endonor Auxilium assumes any obligation to publicly update any forward-looking statements, whether as a result of newinformation, future developments or otherwise, except as may be required under applicable securities

#### What Does This Mean For Employees of Auxilium?

- Bringing our two organizations together will require us to look for efficiencies in overlapping areas
  - There will be some workforce reductions
  - Commitment to transparency, fairness and speed in integration post-close
- True value of combination is in accelerating long-term growth potential
  - Commitment to required investment
  - Aspiration to retain as many high performing employees as possible
- Remain focused on what you can control—performance against your goals

endo.

# Next Steps

- We expect the close of this transaction to take place in first half of 2015, subject to:
  - Regulatory approval in the U.S.
  - > Auxilium stockholder vote
  - Other customary closing conditions
- Until the closing of this transaction, Endo and Auxilium will continue to operate as independent companies
- While integration planning will commence, no decisions can begin prior to the close of the transaction
  - Structure of integration planning team will be communicated shortly
    - Team leads will be appointed from both companies
